WELCOME TO COUGAR COUNTRY
FOCUS on FUN

Marching Band

Cherry Hill East's marching band brings some excitement to the football games by playing music and dancing for the other spectators, too. More pictures of the marching band and other performing arts groups can be found starting on page 176.

Halloween

Debra Schwarzl ('10) and Cara Kaplan ('10) goof around during a mini photoshoot in their photography class. Both girls showed some Halloween spirit by dressing up as tweedledee and tweedledum.

Sports Fans

Sidney Nufable ('10), Kevin Hansen ('10), and Brian Liechowicz ('10) show some intense school spirit while cheering on the girls' volleyball team during their semi-final playoff game vs. Bridgewater. More sports pictures and information starts on page 148.

Left:
The juniors have a good time dancing in the Spirit Week Dance Competition as they portray the government agency, the Department of Transportation.

Above:
Seniors take a moment during their lunch period to take a picture while catching up on some work.

Science labs at Cherry Hill East are a great form of alternate education for students. Labs pertain to material covered in class and get the students out of their seats, handling a variety of objects pertaining to the assignment.
"Back-To-School Night"

Avra Basov '11 provides directions to a lost parent.

Like all teachers that evening, Ms. Pieter reviews her policy and philosophy to students' parents.

Julia Scarni '10 closely examines a student schedule for a parent.

Typically, "Back-To-School Night" at Cherry Hill East is extremely well-attended. It is just not an informative session, it is also a time where parents have an opportunity to experience the East community.

Jung Won Byun
My favorite thing to do is eat. I feel satisfaction and fulfillment when I clear out leftovers. I think food embodies cultures and histories. I will absolutely eat anything, and nothing picks me up like something yummy. (No man could ever take the place of food.)

Ammar Dahodwala
My favorite high school memories are:
1.) Asking Ms. Barnes if she could z-zap him with an attitude and having her do it in front of the entire class.
2.) Asking Mr. Berman for an eye-witness account of the signing of the Declaration of Independence.

Kasia Hitzkenko
My key to success is: Believe it or not, procrastination. The added pressure makes me work much faster than I normally would and the ridiculous amounts of sugar and caffeine circulating my bloodstream help me produce my best work. Plus, that amazing feeling of finally going to bed at 4 a.m. after hours of stress, anxiety, and nervous breakdowns makes it worth it every time.

Evan Kraner
My advice to underclassmen:
1) Don't sleep. There's no time for it.
2) Always question.
3) Be confident in yourself and your beliefs.

Amanda Laskey
My key to success is: watching Jeopardy. Besides allowing you to feel pretentious, it gives you a wealth of information which can help you on a history quiz or in an argument with a friend. Why yes, I do know that they have grown bananas in Iceland's hot geysers!

Aaron Levin
My key to high school success: Budgeting time between Phillies, Flyers, Eagles, and college sports. When in doubt, just remember that in twenty years, you will not remember your grade on a lab report or essay. What you will remember is watching the Phillies win the World Series, and the Flyers game 7 overtime winner against the Capitals.
Jonathan Lim
My favorite activities: reading the New York Times, trying new foods, and listening to Spanish-language music. I like to learn more about the world and help others do the same.

Sean Lowen
My favorite high school memories are:
1.) When Mr. Berrynin told us that "Life is an option."
2.) Watching Mr. Semus and Ms. Barnes dance at Senior Prom 2009, and catching it on video.

Loren Oh
My key to success:
My key to success is to reach for the highest goal and have confidence in my abilities to obtain it.

Manmeet Singh
My keys to success are: chewing gum, reading CliffNotes, doing pull-ups, last minute cramming, blinking, eating healthily, listening to John Legend, getting my facial hair, and problem solving.

Samuel Stern
My favorite things to do: staring contests, competitive eating, Pokemon collecting, falconing, curling, height maintenance, alchemy, dog-sledding, investigative journalism, and studying.

Andrew Wyne
My favorite high school memories: tennis, sophomore year, introduced me to various role models who showed me the type of person I wanted to be in high school. I loved the team atmosphere and I learned to manage my time between school and social life. Interacting with Spanish exchange students was also fun, and something nobody from 6th period lunch junior year will forget.

Nikhil Yegya-Raman
My role model: Bugs Bunny, because he always seems to be in control of situations and he is never unhappy. Also, my parents.

Darvin Yi
My advice to underclassmen:
Have fun and enjoy high school. Join a lot of clubs and whatnot. Just don't screw up anything big time.

Serge Zemerov
My key to success:
Consumption of various advantageous products. For example, I swallow two capsules of dried noni fruit every weekday morning. Additionally, I sometimes add several drops of liquid bee extract to my tea in the evenings to boost the efficiency of my immune system.
PRINCIPAL'S MESSAGE TO THE CLASS OF 2010

Dear Members of the Class of 2010,

As you leave East, please know that we wish you well in the challenges you face. It is our hope that our faculty and our community have helped all of our seniors to chart a course in their studies, and that all members of the class cherish the value of the East education which they have received.

In the years ahead, it is our hope that members of the Class of 2010 recognize our efforts to teach our students well and to support their efforts within the classroom, in athletics, and extracurricular activities. As students move to their new schools and to the workplace, may they do so confident that they come from a high school which offers a rigorous curriculum, celebrates diversity, and challenges the students to excel. It is our hope that the graduates of the Class of 2010 will continue the rich tradition of excellence fostered here at East.

Best of all in the years ahead: may your lives be filled with purposeful works, loving families, good friends, and fond memories of Cherry Hill East.

Sincerely,

John O'Breza

John O'Breza
Dear Class of 2010:

When you entered East four years ago, the school community knew of the potential that you had and looked forward to the excitement that you would bring to the halls of East. You did not let us down! Now, you have reached your graduation, and we celebrate what you have achieved in those quick four years! You have left East a better place because of everything you have done here.

Your class began as 9th graders with Mr. Terranova, and he helped you pass through that difficult freshman year as you began to make a mark on East. I joined the class as your Grade Level Principal during the next year, and we have been on quite a journey together ever since. I know he would smile and be proud of what the class has done! From academics to athletics, to music and drama, to dances and Spirit Week, to Blood Drive and community service, the class of 2010 has excelled in all of these areas and set a high bar for future classes that will pass through East!

Take time to reflect about the classes and teachers that challenged you to open your mind and think critically. Remember the friends that you shared experiences with (both good and bad), and the relationships that were formed during this time. Treasure the time spent with family, and use the positive memories to help you through difficult times that might lie ahead.

I have been proud to serve this class and take this journey with you. I wish you well in the future. Always remember that wherever your path takes you, Cherry Hill East helped to give you roots (to keep you grounded), as well as wings (to aim for the stars).

Good Luck!

Dr. Burns

The East Girls' Swim Team is consistently one of the most successful teams at Cherry Hill East. Named “South Jersey Team of the Year” in the 2009 season, the Lady Cougars lived up to this title during the 2010 season, advancing to the South Jersey Sectional Finals. Getting that deep into the play-offs was certainly not easy, but defiantly rewarding after beating the undefeated, archrival Lions of Cherry Hill West. With a lot of underclassmen talent, the East Girls' Swim Team will remain a top contender in the state for years to come.

Girls: we are so proud of all of your accomplishments this season. Remember, believing in yourself is just as important as the ability to win. Congrats on beating the undefeated Cherry Hill West Lions. We are going to miss you all next year!

Love, your captains,
Elaina Bennett and Morgan Lawler
The East Boys' Basketball team had another strong campaign this year, finishing 19-8, led by returning seniors, Seth Friedman, Benjamin Gerstein, and Junior "All-Star," Chris Santo. Unfortunately, the Cougars fell short of a conference title this year by losing in the second round of the play-offs. The Cougars have much promise next season as three out of five starters are returning.

The East Girls' Basketball team finished out their season with a strong record of 15-8. While starting off the season with a low ranking, their winning streak eventually helped them earn the ranking of #4 in South Jersey. Led by the Boisvert sisters, the Girls' Basketball team is known for their high energy and powerful offense on the court. The Lady Cougars fought hard in a close battle against Winslow in the first round of the playoffs, with their season ending in defeat in the second round. Overall, the team had a very memorable season.

MARCHING BAND * BAND * ORCHESTRA * CHOIR * THEATER
Though the blistering heat of August to the bitter cold of November, Marching Band goes through it all. From band camp to game day, festivals and pep rallies, the band never tires. The Marching Band members, who put in constant hard work and dedication, received outstanding ratings at festival competitions, as well as a song to last a lifetime. This year’s theme, "Rhythm of Flight," consisted of the songs, "On Eagles Wings," "Cadillac of the Skies," and "Gavorkna/Fanfare for New Era." No matter the weather of the challenge, one thing is for certain: the band always wins!

The band program at East is one of the most respected in South Jersey. Conducted by Gia Walton and Tim Kelecher, it is composed of Freshman Wind Ensemble, Symphonic Band and Wind Ensemble, which are all taken as full-year electives. The band also consists of the Jazz Band as an extra-curricular activity.

Together, these groups preform in concerts throughout the school year, as well as competitions and local events. Cherry Hill East has a plethora of talented musicians, and students enjoy being able to collaborate together through music. No matter which group you are in, the band program is an experience at East that students never forget.

Orchestra

Deep within D-Wing, there assembles every seventh period the orchestra. Ms. Mandescu takes the String Orchestra under her wing, and Mr. Keleher soars with the Symphony Orchestra. The orchestras play all year from the Fall Preview to the Spring Concert and all the concerts in between. In addition, this year, the String Orchestra is performing at Dorney Park while the Symphony Orchestra will be on stage at the Lincoln Center. Also, be sure to look for them at graduation; they'll be there, playing "Pomp and Circumstance" to the very end.

Choir

If you wander down the halls of D-wing during the day, you’ll often hear the dulcet tones of East’s choirs wafting through the air. With a diverse repertoire of music from all over the world and throughout history, the choirs have been hard at work all year. There were some special honors that came their way this year. In particular, East Singers had the opportunity to perform in a PBS special, “Tim Janis: Celebrate America,” and were also the invited ensemble to perform in Atlantic City for the state administrators’ conference. The choirs also enjoyed great success in Boston, where they competed at the Heritage Music Festival.

The thespians of Cherry Hill High School East, once again, enthralled audiences with their production of William Shakespeare’s *A Midsummer Night’s Dream*. Over the four performances, which took place during the first two weeks of December, the entire community gathered to watch over fifty students perform a modernized version of the classic Shakespearian comedy. An exhibition of this caliber was only possible as a result of countless hours of hard work from the talented cast and crew. With such an amazing performance so early in the year, the thespians of East set the bar quite high for future performances.

The spirit of chivalry was resurrected at Cherry Hill High School East through the Spring Musical, "Man of La Mancha". Cervantes's message of hope defeats even death. It is important for all to have hope and "to dream the impossible dream". Thus, the words to the music, the characters' discovery in themselves -- all this adds to an outstanding performance on stage. The performance in the orchestra pit is also outstanding. Know, Cherry Hill High School East is one of the few high schools in the tri-state area with an entire orchestra solely performed by students. Great job, guys!

Performing Arts Groups

In addition to orchestrating the Fall Show and Spring Musical, the Drama Department of Cherry Hill High School East offers even more opportunities for young thespians to demonstrate their talents. The Mime Company spreads cheer at various venues. Studio 2 and Lab Theater are smaller shows performed throughout the year that provide students with a chance of increased participation in productions. The Thespian Society is composed of veteran East thespians who work throughout the year, meeting various needs within the Drama Department. Though you might not see them during a performance, the Stage Crew is constantly at work, providing the technical know-how so that all the productions run smoothly.

A MILLION MEMORIES

Kolbi and Kirsti, We love you and are so proud! Love, Mommy and Daddy
Dear Steph,

I think we all remember the night you were born – you hardly cried at all. And then your Dad held you up and you looked at every one of us – almost like you were saying, who are these people and are they always going to be in my life. And guess what? The answer is yes! We have been here for all the birthday parties, learning how to skate, how to ride your bike, and definitely for the swimming lessons! I didn’t think those swimmies (or goggles) were ever coming off!

As your family, we will always be with you and behind you. We are quite proud of all your achievements and realize the road to graduation hasn’t been the easiest. Best Friends Forever <3
Liz Hansen & Amy Ressler

When we first talked to each other
I knew we would always be friends.
Our friendship has kept on growing
And I'll be here for you to the end.

You listen when I have a problem
And help dry the tears from my face.
You take away my sorrow
And put happiness in its place.

We can't forget the fun we've had
Laughing 'til our faces turn blue.
Talking of things only we find funny
People think we're insane—If they only knew!

I guess this is my way of saying thanks
For catching me when I fall.
Thanks once again for being such a good friend
And being here with me through it all.
