PRINCIPAL'S MESSAGE TO THE CLASS OF 2012

Dear Members of the Class of 2012,

As you leave East, please know that we wish you well in the challenges you face. It is our hope that our faculty and our community have helped all of our seniors to chart a course in their studies, and that all members of the class cherish the value of the East education which they have received.

In the years ahead, it is our hope that members of the Class of 2012 recognize our efforts to teach our students well and to support their efforts within the classroom, in athletics, and extracurricular activities. As students move to their new schools and to the workplace, may they do so confident that they come from a high school which offers a rigorous curriculum, celebrates diversity, and challenges the students to excel. It is our hope that the graduates of the Class of 2012 will continue the rich tradition of excellence fostered here at East. May the Class of 2012 recognize the spirit nurtured here at East and hold secure our motto: Live to Learn; Learn to Live.

Best of all in the years ahead: may your lives be filled with purposeful works, loving families, good friends, and fond memories of Cherry Hill East.

Sincerely,

John O'Breza

Dr. John O'Breza
Dear Class of 2012,

Congratulations!!!!

It is difficult to express the deep admiration I have for your graduating class. I consider myself very fortunate to have been the 2012 Grade Level Principal for your tenure at EAST. The continuous stream of honors and accomplishments over the past four years substantiates the fact that the Class of 2012 is one of the most talented and accomplished graduating classes in the history of EAST. You have experienced excellence in all domains: performing arts, athletics, academics, literary, service and the list goes on! But most impressive is that if you were to eliminate all the accomplishments from every domain, you would be left with a graduating class who has "CHARACTER"!! The respect, effort, dedication, spirit, and cooperation you have demonstrated in our time together have left a life-long impression. The Class of 2012 is the sum of many individuals, and every 2012 graduate has contributed to creating the "personality" of the class. It is your combined contributions that have served as an affirmation of my decision to become an educator. Thank you!

Considering all of your accomplishments, honors, contributions and the relative "speed" of the past four years, I have been wondering if I missed the news about an intergalactic anomaly that warped the time/event continuum. A review of the Speed of Time equation (PT=RT/E), the ratio of real time (RT) to the number of events (E) to yield perceived time (PT), indicates the extraordinary accomplishments (E) of your class in four years (RT) exceeds the normal range and consequently distorts the continuum. I am anxious to discuss this equation at your 10- year class reunion, which theoretically, is right around the corner. And as you continue to establish your identity over the next ten years, keep in mind: the real long term goal is to make the world a better place, not just make your place in the world better! See you there!

Sincerely,

Robert G. Hulme
Grade Level Principal

DON'T MISS OUT!
Back to school...
Parents courageously stepped into their son's or daughter's shoes for one night. They ran frantically, more like strutted, in the hallways, for they only had four minutes to get to class.

MOM & DAD, MEET MY TEACHER!

Even parents received homework at Back-to-School night on September 19, 2011.
Giving blood...

At the Fall Blood Drive, students and teachers lined-up to give blood. Student volunteers offered information on the event, held a raffle, and refreshments to regain the energy lost. Even the blood drop itself made an appearance and led support to all those who attended!

DON'T MISS OUT...

Students and teachers came together to donate blood on November 29-30, 2011.
"Who’s gonna save the world tonight, Who’s gonna bring it back to life
We’re gonna make it, you and I, We’re gonna save the world tonight."

**Spirit Week**

**SPIRIT WEEK**

Spirit Week was filled with booths, dress up day, dance competitions, and Homecoming. Seniors won Spirit Week and the Spirit Week dance competition. Juniors came in second place, dominating the can food drive. Sophomores placed third overall but came in second place for the Spirit Week dance competition and freshmen trailed last with their first high school Spirit Week experience!

**COUGARS! COUGARS! COUGARS!**

"SENIORS! SENIORS! SENIORS! SENIORS! SENIORS! SENIORS!
* SENIORS, CLASS OF 2012"
Powder Puff

Seniors and juniors from all walks of East stood side by side, wrestled arm to arm and ran neck and neck for a title of football champions. During Spirit Week, these girls rallied for the game on November 19. As both teams struggled for points, the juniors ended up on top with the win. A heartfelt effort by all was seen on the field that day. Still, despite the junior win, the seniors triumphed in the Spirit Week competition overall.
"The Wuz"... Teachers from all departments came together to perform "The Wuz," written by Mr. Pete Gambino and directed by Mr. Tom Weaver. Teachers performed the musical which was based on "The Wiz" a musical version of "The Wonderful Wizard of Oz". It narrated a story of a girl trying to go through high school.

"TEACHERS, ACT, DANCE, AND SING!"

Teachers got to dress up and step into the shoes of our student actors. *October 21, 2011
Winter Dodgeball...
The EASTSIDE ran a winter dodgeball tournament where students learned the art of ducking and dodging. The night long event captured students' energized spirit. Friends against friends and teachers against students.

"Dodge, duck, dip, dive and dodge!" * December 6, 2011
For two periods, college students from Miami University, George Washington University, Penn State University, University of Rhode Island, and many more came to East.

**College Forum**

Graduates of Cherry Hill East came back for a visit. They talked to juniors and seniors about their college experiences. They divulged secrets about their classes, their location, their roommates and their experiences.

Senior Trip...

The class of 2012 came together on the senior trip to Disney and Universal Studios. They stuck together in the dreaded heat of Florida, the long lines of coveted rides, long hours before let back into their hotel rooms, and a flight delay. Students and teachers explored the Disney worlds of Magic Kingdom, Animal Kingdom, Epcot, and Hollywood Studios meeting Mickey, Minnie, Goofy and many more. At Universal Studios, students gathered at the Universal or the Universal Islands of Adventure. The seniors and teachers together, survived their trip to Orlando, Florida.
