"Cherry Hill East – A caring community of scholars with a lifestyle of kindness striving for excellence in all that we do."

Dear Scholars of the Class of 2014:

The memory that I will cherish for a lifetime is being your principal for the School Year 2013-14. You immediately accepted East’s new Vision Statement; “Cherry Hill East, a caring community of scholars with a lifestyle of kindness striving for excellence in all that we do.” Not only did you accept it, you became exemplary role models for others to emulate. You have earned the noble position of “scholar” by your academic achievement and behavior.

I sincerely hope that each of you will continue to seek knowledge, skills, share with others, and live a lifestyle of kindness and gratitude. I hope you will remember my words of wisdom to you regarding your attitude and the profound influence it has on your life. Life often gives you whatever you expect from it. Hence, expect the best in everything, remain upbeat, seek solutions in any problem, believe in yourself and hold on to hope.

The quality of your life and the duration of your success depend on your attitude, and you are the only person in this world with the power to make it better. Dr. William Glasser said, “If you want to change attitudes, start with a change in behaviors. In other words, begin to act the part, as well as you can, of the person you would rather be; the person you most want to become.”

Scholars of the Class of 2014, as you leave the East School community of scholars, please know that you have our best wishes for continued success. We, the faculty and staff, have done our very best to prepare you to be successful in your next step on life’s journey. We hope that you will hold fast and pursue your dreams. Your dreams can give you direction, increase your potential and assist you in prioritizing what is best for your success.

Peace.

Dr. Lawyer H. Chapman
Dear Members of the Cherry Hill East Class of 2014,

It is hard for me to believe that our four years together is coming to an end. It seems like just yesterday that I was welcoming you to East at our Freshman Orientation. I told you then that your time here at East would go quickly. Little did I know just how fast those four years would pass. It is hard for me to believe that our time together is over.

The growth that you have shown during these four short years is amazing. You came through the doors at East as Freshman with your eyes wide in awe and amazement. While you were here you showed just how well-rounded you are. You excelled in all areas; academics, athletics, drama and music. You demonstrated your sense of community by your participation in many areas including Blood Drive, F.O.P. Party, Adopt-a-Grandparent, Habitat for Humanity and numerous other causes. Now, you leave East as mature, young adults who are ready to take on the world.

If there is one piece of advice that I can leave you with as you leave Cherry Hill High School East it would be to embrace the responsibilities you will have so you can grow as a person. Take responsibility for owning everything in your life. If you do something, "own it." Look in the mirror every day and evaluate how you are living your life. If you do not like what you see, have the courage to change it.

It has been my pleasure to serve the members of the Class of 2014 during your journey through high school. I wish all of you the very best in everything you do. Go forth and make East proud, make your family proud, but, most importantly, make yourselves proud.

Good Luck!
