Spring 2007

To the Cherry Hill High School West Educational Community - Especially the Graduating Class of 2007!

When I walked back onto the campus of Cherry Hill High School West last August as the new principal, I did so with pride and excitement - returning to my own alma mater. To have the opportunity to return to West as the principal, to rejoin this educational community and to be a central part of the continual drive to improve educational achievement were dreams of mine when I walked to graduation in my own purple gown.

Whether the memories contained in the 2007 Edition of Rampant are from your freshman, sophomore, junior, or senior year - they will be cherished for years into the future. When you look at yourself and your classmates through these pages, memories and emotions will be stirred that will take you back to the location and the time of the photographs. You will recall conversations and looks, and the inside stories that go along with each image. This yearbook is your key to unlocking the memories from the 2006-2007 academic year.

Cherish this book, as it allows you to "scratch the surface" on your high school memories for years to come. If you are graduating from West this year, remember that you join an illustrious and accomplished group of thousands of other alumni - represent us well as you endeavor into the future, returning often to give back to our community. If you are fortunate enough to be returning for another year at West, enjoy your summer - read, reflect, and reinvigorate yourself for September 2007.

I look forward to seeing you all soon!

Fondly,

Joseph N. Meloche, Principal

When We Were Lions

<< Mr. Cohen

Mr. Cohen, a 2000 graduate of Cherry Hill High School West, remembers going to Europe with the choir department as a senior. His best memory now as a teacher is getting to sing with Men of Note last year for the faculty talent show. The changes made to our school since he graduated are the IB Program and the four-minute passing time. He was involved in Class Government, Theater, Vocal Department, and the Newspaper. He likes being a teacher because he has an opportunity to influence people in a positive way. When attending West, his favorite teacher was Chuck Conte because he was kind, funny, and an excellent teacher.

<< Mrs. DeSantis

Mrs. DeSantis graduated in 1971 from West. Her best memories as a student here were going to dances, sports, plays, proms, and having class rivalry. Mrs. DeSantis loves watching her freshman classes grow up and graduate. She loves refereeing school events. A big change from when she attended here was the reassessment policy. She thinks that being a student is easier but she thoroughly enjoys being a teacher. She was involved in many sports, Future Teachers of America, French club, and was a gym aide.
When We Were Lions

Mr. Tucci >>

Mr. Tucci graduated from West in 1966. His best memory is being a member of the 1964 undefeated football team. A lot of his favorite memories come from football, but the best one was when a student who was having a difficult time came back as an alumni and remembered what he had done for him. Mr. Tucci was a member of the football team and basketball team at West. He likes being a role model to students.

Mrs. Chase >>

Mrs. Chase graduated from West in the class of 1965. She was a well-rounded student who participated in SGO all 4 years and was treasurer during her Senior year. She was a majorette with the marching band and performed as drum major as a senior. She also remembers participating in musicals like The Pajama Game and Sound of Music. Mrs. Chase was a member of the 1965 homecoming court and was the Sweetheart at the Sweethearts Dance. However, her fondest memories include having fun with her classmates, serving time on the many planning committees and all the of the study groups.
When We Were Lions

<<Mr. Mitidieri

A graduate of the class of 1968, Mr. Mitidieri loved going to football games, plays, and the senior trip. He loves to watch his students at graduation each year. He was involved in cross country, track, and French Club. There have been many new additions to West since he graduated.

<<Mr. Meloche

In 1989, Mr. Meloche graduated from West. He loved school activities like prom, plays, and the teachers like Mrs. Mitidieri. He was involved with soccer, class government, and many theatrical activities. As principal, he loves watching students progress as they go through West. His favorite teachers were: Ms. McMenamin, Dr. Kosloff, and Mr. Mitidieri.
Mrs. Savidge >>

Mrs. Savidge, class of 1990, loved to create sculptures in 3D arts and loved to talk to faculty members. At the end of her first teaching year she remembers going to graduation on the same field she had graduated from. A lot of the hallways have been added and renovated since she has been here. She was involved in PAVAS, Aspects, and the Yearbook. She likes being a teacher better because she went to West and now can relate to her students easily because of this. Dr. Al Dampsey was her favorite teacher because he encouraged her to work hard.

Ms. Roskopf >>

In 1980, Ms. Roskopf graduated from West. As a student, she loved going to Ponzio's, Lena's, and the movies. She loves working with teachers that she had as a student. She was involved with Newspaper, PAVAS, NHS, and Class Government.
Mr. Brocco

Mr. Brocco graduated from West in 1999. As a member of the football team, Mr. Brocco remembers beating East his senior year. Mr. Brocco remembers when everything wasn't purple and would rather be a student because a student only has to take one test, but a teacher has to grade ninety tests.

Mrs. Manzella

As a student, Mrs. Manzella was always known as saying “West is Best”. One of her best memories is sledding with Mrs. Walsh and her English class when school was cancelled for snow. Mr. Hart was her favorite teacher and influenced Mrs. Manzella to become a biology teacher. While in High School Mrs. Manzella was involved in Spanish club, Nature Defense club, and Theatre Workshop. Mrs. Manzella enjoys working in the new science building which is a big change from her days as a student at West.
Mr. Rickert is David Rothkopf's favorite teacher because he is funny, interesting and nice. Sometimes Mr. Rickert gives a lot of packets, but his notes and computer labs make up for all the hard work.

Rachel Gilman nominated Mrs. Smith as her favorite teacher because of the educational, but fun times spent in Environmental Science. Mrs. Smith has a good sense of humor and is always there to help and laugh with.
Favorite Faculty

Mrs. Saffici

Mrs. Saffici is Daniel Trerotola's favorite teacher. He learned a lot in English class and her jokes were hilarious. Dan has enjoyed working with Mrs. Saffici on the yearbook for the past three years.

Mr. DiPatri

Brad Smith nominated Mr. DiPatri as his favorite teacher because he genuinely cares about his students and wants them to succeed in life. Brad thinks Mr. DiPatri is the funniest when he stays after school for extra help.
Mrs. Ferranto is Emily Weston's favorite teacher. Mrs. Ferranto always listens and understands the pressures of being a student. Emily especially likes when Mrs. Ferranto applies her "life stories" as examples to the lessons.

Mr. Madison is Sarah Poserina's favorite teacher. Mr. Madison is also her track coach and always makes her laugh and feel better. Sarah has great memories of Mr. Madison from inside jokes at Penn Relays.
Favorite Faculty

<< Mrs. Rickansrud

Kelly Hy nominated Mrs. Rickansrud. Mrs. Rickansrud is sympathetic and encouraging. She believed in Kelly and supported her as the yearbook editor. Kelly will especially remember her times from yearbook camp.

<< Mr. Munday

Mr. Munday is Steve Galan's favorite teacher. Even though he teaches a dead language, you get to know the subject well according to Steve. The way Mr. Munday teaches is always enjoyable and fun.
Roanne Fernandes chose Mr. Field as her favorite teacher because he always makes history fun. His personal stories add a lot to the class, but Roanna feels the class would be better if he gave less homework.

Ms. Abrams is Bert Kovacs' favorite teacher. Bert had Ms. Abrams for English 1 and she was an incredible teacher because of the way she interacted with students.
Favorite Faculty

<< Ms. Cottone

Shelley Swartz has loved her experiences in Ms. Cottone’s classes. Ms. Cottone is always enthusiastic about her lessons and makes learning French fun!

<< Mr. Lee

Mr. Lee is Latika Moody’s favorite teacher. She had Mr. Lee for geometry and he made math interesting. He was always in a good mood and sang a song to start the class on a good note. He really cared if a student was doing well in his class.
Daniel Salvato and Maureen O'Neill serve as West's 2006-2007 student representative to the Board of Education and alternate respectively. They attend all monthly Board of Education meetings where they represent the best interests of the West student community. Perhaps the most influential "government" post a senior can hold, this job provides student input on educational policy and practice to the Board members and Central Administration. The Board has welcomed this student participation since April, 1993.

Throughout my life, I have learned that the first year in any new position is both challenging and memorable. When I arrived in Cherry Hill as superintendent of schools, one of my first responsibilities was to fill a vacancy in the position of Principal of West. It was a professional pleasure to recommend Mr. Joseph Meloche, a West graduate, to lead your school into the future. As you strive to attain your dreams, please remember that your education has provided you with the foundation to be successful in any career path that you choose. Best of luck to each graduate.

Live this day as if it will be your last. Forget yesterday’s defeats, ignore the problems of tomorrow, treat everyone you meet, friend or foe, loved one or stranger, as if they’ll be dead at midnight. to know the ones you love are always in your heart. And if you’re very lucky, a plane ride away.” – Carrie Bradshaw

Through the nursery window on the day you were born
A woman asked Dad "Which baby is Yours?"
He pointed to you, and she turned to him
And then she exclaimed "She's a champion!"
Some people called you a bonnie lass,
A funny little kid, the clown in the class.
But we always called you a Bonnie Doozel
Why? We don’t know but it fits you to a t-zel!

You wanted to dance, you wanted to sing
We told you that you can do anything.
Now you are off, your dreams to pursue
Give it your all as you always do.
Indeed you’re a champion through and through
We Love you Bonnie and are so proud of you!!

God bless you always,
