Every high school student wants a yearbook that commemorates all of the great times shared, particularly seniors remembering their graduation-year. This year's Rampant staff will "Take Note" of all the fun and traditions that a year at Cherry Hill High School West promises for its students. Enjoy!

June 18th, 2009 marked the end of another 182-day school session at Cherry Hill High School West. Bookbags cast aside and smiles on their faces, West students left the building for a summer that promised to be fun-filled and sunburned.

Sleeping late, going to the shore, and time to relax are all of the things that make summer a favorite season for West students. For some, summer is the time to begin summer reading, venture to vacation destinations, and embark on road trips with friends. Some students travel abroad, others go to summer camp, and juniors and seniors visit colleges. For others, summer means lounging by the pool, soaking up the rays, or vegging out on the couch. For all West students summer is a time for rejuvenation and tomfoolery before September returns.

Stephen Shimchick and Sandy Huynh make summer time merriment as they enjoy a day at the beach together.

**What is your favorite thing about summer vacation?**

I like Summer the most because I get to experience going to places I've never been before for a few days, since I have a break from school work.

-Christine Yamang

I like to spend my vacations with my friends and family. I go over memories and create new ones.

-Shanta Davis

I spent most of summer at the Cherry Valley swim club, and at football.

Traveling Cross Continent
Seven brave souls hop aboard...

On June 19th 2009, after finals were all said and done, four rising seniors and three rising juniors boarded a flight from Newark to Madrid. The girls had gone through Spain 101 with Mr. Yanover and Mr. DeFaria and felt well prepared for the three week-long exchange they were about to plunge into. Mr. Yanover and Mr. DeFaria had arranged an exchange program with El Instituo Leonardo da Vinci in a town named Majadahonda, located roughly 15 minutes outside of Madrid. In Majadahonda, the seven West students were able to roam the cities, experience Spanish culture, and take advantage of the month long summer gangas, or bargains that Spain has only once a year. The trip not only challenged the girls culturally, but also linguistically. It was wonderful preparation for college, especially considering that many of the girls had never left the country before! In September, the Spaniards came to Cherry Hill West to experience American life. The exchange caused friendships to blossom within the Cherry Hill West community and created new friendships that span the globe.
"I've wanted to go to Spain for as long as I can remember. When I finally got there, it was better than I could have ever imagined."

-Sam Farkas

Cherry Hill West Heads to Spain

Landing in Spain...

After an eight hour flight filled with discussion of last minute details and final preparations Danielle Watson, Sam Farkas, Jill Pacheco, Brittany Moore, Marissa Hart, Caitlin Sadler, Emily Weston, Mr. de Furia and Mr. Yanover landed in Spain. Stepping off the plane was overwhelming. The girls were bombarded with foreign words for the first time. Yet, despite their nervousness, the girls were eager and ready to explore Spain.
September 8th, 2009 marked the beginning of a new school year for Cherry Hill West students. Following the newest fashions, students of all ages returned (or entered for the first time) the hallways of West, some smiling and others wishing they were back at home, wasting away another summer day.

Swinging their hips like yeah, Jan Coyle and Ben Macklinger show off their new kicks.

"The first day of school is always filled with so many emotions. You feel excited and anxious to find out which friends are in your class, but your also afraid to find out what your teachers are like and a chance to give your first impressions."

-Chris Duma

"The first day of school always smells weird to me. I always forget what school smells like. Everyone has new clothes, bookbags, and shoes, and they're always trying to impress each other but are happily reuniting after a long summer apart."

-Marilyn Bartusis
Come September, students are engrossed in back-to-school tradition. Getting reacquainted with new friends, meeting new teachers, and finding new walking patterns is exhausting. The hallways are filled with nervous excitement, as students anticipate classes full of course expectations and getting to know you activities. Students look forward to their lunch and free periods where they get a chance to reminisce about their summers. All day long students can be heard asking one another what to expect from the classes they will be working through all year long. After a long first day, for some students, it seems as if the 2:30 bell will never come.
The leaves are changing, practice runs until sunset, the time for shorts and

In Autumn when the trees are brown, the little leaves come tumbling down. They do not make the slightest sound, but lie so quietly on the ground until the wind comes puffing by and blows them off towards the sky.

**Fall Friends**

*What we love about Fall*

"In the Fall the weather is perfect, the leaves are falling, the temperature is cool and breezy."
- Justin Serabo

tanktops have passed; this is life at West in the FALL.

Robert Segrest plays the alto saxophone during the homecoming game to pep up the crowd.

In the Fall, as the leaves begin to change colors, the students too begin to change; they leave their lackadaisical Summer-time mode, and begin to focus on their studies. Autumn is a time to rekindle the academic spirit in the hearts of West students. It means waking up early, brisk walks to school, and homework for the first time in months. At West in the fall, there are so many great things to see and take-part in—football games that rival those of the professionals and a fall show that could be on Broadway. Fall is full of festive fun! Both the ghosts and ghouls of Halloween and the face-stuffing of Thanksgiving commence in the fall, as well as the fretful first day of school. With all of this activity, Fall proves to be a lively season for students returning to West.

"My most memorable team bonding experience was after the Thanksgiving Day shut out game against East. After the game, as seniors, we had the chance to really let the experience sink in. For the past four years we've spent playing football, and our last game, we win!"
-Kyle Hughes

"My favorite thing to do during the fall was go the football games, and cheer on our players!"
-Olivia Khoury

"Run this Town" by Jay-Z is a song that always reminds James Arroliga of his final year on the football team.

This year's football season was a big step for the program at Cherry Hill West. We accomplished many things that we have not in the past decade. Together we managed to squeeze out a 5-5 season. Almost all of our games were close wins or losses. For being a smaller program, we did well. It is hard to compete with the top ranked schools in South Jersey, but we managed to hold our own. We beat a team ranked in the Top 5 in Pennsylvania. It was a big victory for us! That was our best game of the season. It really proved that even though we were a smaller program, we had full potential to go far this season.

Our biggest success this year was in our execution. We executed what we needed to be successful. We stuck to the basics and grounded it out on offense. Our defense held its own and kept us in big games. The biggest factors in this year's season was our senior leadership and dedication. We go out six out of the seven days in the week. Each day we devote ourselves to the sport. Coach Srebro always says, "You get better or worse each day." Our goal was to get better each day. We faced a lot of adversity this year with injuries and bad weather conditions. However, we worked to have kids step up when they were needed. The most interesting fact is that we were undefeated at home this year, 4-0. I look back on this season and I say to myself, "This is the way I wanted to go out." We made a part of school history by having a 500 record record and for me this year was a great deal of fun. Our seniors have been in the program for four years and this is what we have worked for. Success! We achieved it this year as a team and as a program.

-Kyle Hughes
"Coach Scehbo always says, 'You either get better or worse, you never stay the same.'"

CHEERLEADING

This year has been one of the most successful years for the West Cheerleaders. Besides being a solid team on the sidelines, we've proven ourselves to be a fierce competitor on the competition mat. After much hard work, determination and perseverance, our team has had the best season. We came out with three first place and grand championships which is the strongest record in cheerleading history. We have beaten top teams from other high schools that have always been at the top such as Cherokee, Shawnee and Neshaminy.

As a senior, I couldn't be any happier. Our team has grown so close, and we have worked together to prove ourselves on the floor. We couldn't have achieved any of this without our coach, Miss Smith. She has pushed us to do everything "One more time" even when we didn't know it was possible. I am so proud of you girls and Tyler. This season for West Cheerleading has been unforgettable.

Each year the West Marching Band puts on a spectacular show both on the field and in the stands at West football games. This year the band's show was based on the movie, "THE BLUES BROTHERS" and featured up-tempo rock and roll compositions from the movie. It was a presentation to enthrall all ages and backgrounds! Eric Rizzo on trumpet and Dennis Palma on drums were the featured soloists. Led by senior Christina Montini, the color guard added pizzazz and color to the show. Their performances are ones to be remembered.

"When my days get boring I will have the game to play, but when I grow old and the game seems to be at its end for me, the memories of these ladies and being on the team will always be there for remembrance."

-Alaina Caruso

As the only senior on the Varsity team, I was really proud of our season and the job of our new head Coach, Miss Wallace. She stepped in, took control, and all the girls really responded to her! We may not have had the record that shows a winning season, but the final scores don't show the 40 all sixes that most girls had. We did well as a team, even if the scores don't show it. As Coach has said all season, "This is a rebuilding year," and I know that next year West will come out and dominate. With almost a full roster of seniors returning, there is no stopping these girls. I had the greatest time with these girls, and I will never forget them!

-Emily Westman

We are not only a tennis team but a tennis family, where team bonding became a hobby and the game was true to our hearts. Tennis is a life long game for me and these girls will always be a part of the experience that I had being on the team. Never will I forget them and the great times that we all had together.

This year has been a great experience, and we had an outstanding time on and off the field. As a team, we were very successful. We advanced to the second round in the Coach's Cup tournament, but were defeated by the team that went on to win the tournament. We also advanced to the semi-finals in the state tournament and again lost to the eventual champs. We had a great team this year, and it was a fun three years. After my freshman year, the varsity program took a huge turn. The three years after that we had an overall record of 47-12-3 with two Olympic Conference titles. I was glad to be a part of a huge turn around for the soccer program at West, and I hope the winning ways will continue throughout the years.

Cherry Hill West captures the essence of a favorite classic in its fall production of *A Christmas Story*. Directed by Danielle Korte, a West alumni, the play follows Ralph's (Garner Butler) narration as he describes the events surrounding his most cherished Christmas memory. Jayson Madara plays Ralphie, who desperately wants an official Red Ryder BB gun. However, his compassionate mother (Emily Cooper) warns that he'll, "shoot his eye out." His father, played by Anthony Crosby, is obsessed with a tacky lamp he won in a contest, as well as the Christmas turkey. The story builds into a chaotic and hilarious show appropriate for all ages.

The Children's Show marks the beginning of the many theatrical performances that occur during the school year. This show provides a unique opportunity for children in the district to experience some of West's talent in theater. The 2009 performance titled *Excalibur: The Story of Young King Arthur* was narrated by Merlin, who explains to the audience how young Arthur grows up to become King. Raised by Sir Hector, growing up with two other children, Arthur believes he is a normal boy. An evil witch and her minions plot to use Arthur to rule the land. However, their scheme is ruined when Arthur victoriously pulls the sword from the stone and becomes King, despite their efforts to thwart him.

With Thanksgiving break on the horizon, the West student body gathered to be entertained and to entertain one another during the annual Homecoming pep rally. Screams resonated from all four sides of the West gym to mark the first pep rally of the year. The Jones Gymnasium was packed with the entire student body of Cherry Hill High School West, as well as faculty and alumnae. They cheered on the cheerleaders, indulged in the beloved pie-eating contest, pumped up the football players for victory, and watched as a diverse group of girls came together to compete for the title of homecoming queen. This year’s senior class nominated Angelica Anas, Faith Holroyd, Molly North, Antoinette Pineda and Morgan Wallace to represent the 2009 Homecoming Court. After the electrifying performance from the combined cheerleading and dance teams, several nominees scampered off, breathless and pumped. Dan Topf rallied the masses while the girls changed into their glittering gowns. In the end, Antoinette Pineda was crowned Homecoming Queen, and every student left brimming with enthusiasm. The pep rally was fun for all who attended, but most importantly, this year’s pep rally brought West students together to show their spirit and support their Lions!
"They’ve ran their cars across our practice field and mocked our team. Now, it’s time to take home the boot!"

Thoughts on Homecoming '09

"It was the hardwork in the second half of the game that eventually led to their victory. It was a great effort."
Amanda Lapinski

"The football players played a truly inspiring game."
David Hinchliffwood

"These boys are truly dedicated to the program, and watching them pull off the victory was an astounding feat."
Coach Seerbo

"Sometimes, the best part of the Homecoming game is just being able to hang out and cheer with your friends."
Christine Arnold
November 26th 2009, Thanksgiving Day West vs. East at home... Victory for the Lions.

"It's easy to compile a group of kids and call them a team, it's a different matter entirely to have a team and be able to call them family."

Both Cherry Hill High School West and Cherry Hill High School East took the field for a full-fledged battle of the football teams - a rivalry that dates back many decades. On a muddy Thanksgiving Thursday, the team, led by co-captains Dan Topf and Josh Martinez, stormed the field with a take-no-prisoners attitude and a flaming desire to win. It was a day with competition in the air and football in our hearts. The marching band played loud and proud as the cheerleaders cheered loudly from the sidelines, all contributing to the opportune game-day for Cherry Hill West. In the end, West won with a score of 14-0, truly slaughtering the competition, sending them back to the East side with a West side beating they won't soon forget.
WINTER
Winter Student Life
Brr, it's cold outside, but the fire's warm.

"There's that good feeling you get from sleeping in (when it's cold out) and waking up to hot chocolate. Snow days are also very enjoyable."

- Senior Student

Sitting in class, tapping a pen on the desk while trying to find the words for your English paper, you look out the window and see a blustery wind cloud pumping out pure white snow. It coats the ground and makes you smile: it is winter! Winter activities can be some of the best: drinking hot cocoa by the fire, sledding down hills with the wind in your hair, or just admiring the winter landscape. For a student, Winter is often a balancing act; it is the time in the school year when teachers raise the bar and challenge students to achieve at the highest level. During winter time, the second marking period is in full swing, essays are due, and life is rife with responsibility. All the while, students are yearning for winter break— the wonderful 12-day period where students have time to enjoy their families as well as the beauties of the season.

Oh the weather outside is frightful...
What do you like the best about winter?

"Snow of course!"
- Matt Kitchenman

"Yes, it seems Old Man Winter paid us a visit late last night, and he brought not with him a pillow or a sheet, but a blanket....a blanket of snow!"
- Spongebob, The Snowball Effect

Winter Storm of '09- Cherry Hill hadn't witnessed a fierce snow storm since '96. The snow itself plowed the entire district into an inevitable snow day (12/21). It was an exhilarating moment as the 20 inches of the white powder devoured everything. Despite the need for 15 shirts, 4 jackets, and one scarf, Old Man Winter's visit proved to be fortuitous for all.
Spirit Week 2010: January 15th to January 21st

A tribute to Mr. Romello, who has spent many Spirit Weeks with the West Community. We'll miss him!

What do you like about SW?

"Spirit Week is a great and fun week for grade levels to come together and have a blast even if they have nothing in common."
-Anonymous, 10th Grade

"Spirit Week was amazing because everyone was enthusiastic and really excited."
-Cass Achanzar, 9th Grade

"Spirit Week is about classes coming together seeing people from each area - athletes, döppians, and musicans, work together pushing for their class. It's exciting to see."
-Jason Nog, 12th Grade

"Spirit Week was a week of getting together with others and showing a distinct bond of courage and spirit. Most of all was the amount of fun we had!"
-Eylan Evans, 11th Grade

Spirit Week - a week of lasting memories, amazing fun, and burrito digestion, is a time for Cherry Hill High School West where all the classes from the lowly Freshman to the "top of the totem pole" seniors get together and share an amazing experience. This year, Spirit Week took on the theme of music genres - each class taking on a different one. There was a hectic change of events this year since Spirit Week took place right after Winter Break instead of its normal March time slot. Nonetheless, classes hurriedly got their vocal, dancing, and visual acts together for an all out competition. The outcome was one for the yearbooks! A landslide senior victory, followed in order by the Juniors, Sophomores, and Freshman. Both the murals and the lip syncs showed just how much time and effort the class governments put into Spirit Week this year. This tradition is certainly one that is important to West and its school spirit. The camaraderie and relationships built during this week are memories that students take with them long beyond their time here at West.
"For all four years I've gone to West, Spirit Week has always meant the same thing: fun, competition, and school wide memories. As I go off to college I'll never forget these times. They're some of the best and they really unite the school. I wish every week was Spirit Week!"

"Life's most persistent and urgent question is, "What are you doing for others?"

- Dr. Martin Luther King, Jr.

On Monday, January 18, 2010, honoring Dr. Martín Luther King Jr., the Cherry Hill West Educational Community participated in the MLK Day of Service for the first time. Rather than just being off from school for the day, more than 80 students, staff, and community members participated in a variety of activities on the West Campus including: painting the Walsh Gym locker rooms, making sandwiches for Cathedral Kitchen in Camden, and making cards for Children’s Hospital of Philadelphia and overseas service men.

This was truly a community effort as local businesses made donations of food and materials. It was a very positive experience that culminated with a screening of Dr. King’s I Have A Dream speech from the March on Washington. This inspiring day will become an annual event for the school community.

Members of the Class of 2010 got off on an early start to the Philadelphia Airport on March 3rd for the beginning of the annual Senior Trip to Florida. While the famous Florida sunshine was a welcome change from the gray skies left behind in New Jersey, the temperature was definitely a reminder of home. The cool mornings and crisp evenings did not deter anyone from having a great time on the rides throughout the Disney Parks and at Universal Studios. Mickey and his friends were definitely ready for the arrival of the senior class. The Blue Man Group put on an amazing show on Thursday evening and they even ‘left their mark’ on many members of the class. The laughter and fun from memories made will stay with the group forever.
“Far better is it to dare mighty things, to win glorious triumphs, even though checked by failure...than to rank with those poor spirits who neither enjoy much nor suffer much, because they live in a gray twilight that knows not victory nor defeat.”

What famous quote best describes the spirit of this team?

This year's Winter Track season was marked by improvement and commendable effort. Many newcomers joined the team and competed with enthusiasm and gusto. Along with the returning upperclassmen they have established a solid foundation to build upon for years to come. The coaches would like to thank all of the student-athletes who competed so valiantly this past winter.

-Coach Bova

"We have a great bunch of outside shooters. Unfortunately, all our games are played indoors."

I liked how throughout our season the progress was clearly seen by both the players and the coaches. We learned to work together extremely well and make some of our goals happen, such as going to the playoffs. I enjoyed this season mostly because everyone showcased themselves to their true abilities as athletes and as basketball players.

I've been a part of CHW varsity basketball for the past four years. We are all like brothers; we've been with each other more than with our own families. We all have worked so hard and gave it our best. This past year has a disappointment, but we are still proud of what we did. Personally I couldn't believe it when the final buzzer sounded. I actually cried because it was over; that's how important West Basketball was to me and the rest of the team. I will be a Lion for the rest of my life and I am proud of that! We had a lot of fun, even though we got yelled at a lot. I have learned more about life playing here than I could anywhere else.

The Lady Lion swim team had a great season this past winter. The whole team went into this year with low expectations for the coming season after last year's graduating class of arguably the best swimmers the team has ever had. We were all greatly mistaken! We went into every single meet ready to swim fast and win. Everyone practiced very hard both at the Christian Street YMCA in Philadelphia or with a club team. Our efforts led to a regular season record of 9-0-1 and an overall record of 10-1-1. For a building year, having the only undefeated regular season record in the South Jersey League was a great accomplishment.

We were strong in our depth this year. Although there were good center lane swimmers, our outside lanes were crucial to some of our wins. Our motto this year, "flip the script," was taken to heart at all of our meets by our outside lane swimmers. Every girl did her part to support each other. This led to defeats against South Jersey powerhouses like Cherry Hill East and Haddonfield, and a tie with Bishop Eustace. The Lady Lions turned many surprised heads in our direction this year as we pushed each other through every meet. The team was so close and like a huge family because of the way we all came together for a common goal of winning. Looking back on this season, I am so proud of all of the girls on the team because I know that they sacrificed and tried their best for one another and I am thankful for our dedicated coaches, Mr. Sweeten, Sue, and Mr. Gust. Looking back on all four years as a Lady Lion swimmer, I am again proud. I am proud to have been part of such an amazing team for my time at Cherry Hill West! This season was a great end of a high school swim team career for Gabbi Emore, Tiffany Ramos and me as the only seniors on the team. In our hearts, we will always be Lady Lion swimmers!

Throughout the season we worked hard and kept our goal of making playoffs in mind. Seniors Andrew Malik and Rory Watkins worked hard every day by going to the Christian Street YMCA and practicing with West. Seniors Dan Lyndell, Trevor Reynolds and Bobby Waldner practiced hard while attending their various club practices. Chris Hillman, Bobby Krowicki and Max Gross also practiced at the Y but also helped out the team tremendously by scouting other teams and collecting times of other swimmers throughout the season, helping us defeat five competitive teams. This team, lead by the seniors, worked hard and accomplished what they set out to do at the beginning of the season. Both Coach Naumann and Coach Gurst are very proud of the Men’s Swimming Team this year.
I will miss the memories we've made both inside and outside the pool, especially the bus rides.

Spring Student Life

It's time to go into those closets and drag out all the warm-weather clothes. Flowers are in bloom, the weather is reaching seventy degrees, and the sun shines on the arms of West students: it's Spring! For students, classes are more nonchalant and teachers are just as excited for the nearing of Summer. Spring is much anticipated at West. For the upperclassmen, it marks classes drawing to an end and time to prep for AP season, and the entire school begins to finish up their studies and prepare for finals. The Juniors and Seniors are out shopping for their prom attire as the occasions draw nearer and nearer. Spring sports are beginning and there's a great athletic fervor at West - baseball and softball scores flood the announcements and everyone is in the competitive spirit. For seniors, especially, Spring is the best. During break, they go off to Disney World, enjoy friends, and just look forward to college. Whether you're a wide-eyed freshman, or a big-time senior, Spring at West is bursting with fun.

The musical is based on L. Frank Baum’s timeless children’s tale about a Kansas girl’s journey over the rainbow to the land of Oz.

On Dorothy Gale’s (Amber Kusching) adventure to meet with the great and powerful Oz, she encounters a scarecrow (Anthony Crosby) who is lacking brains, a tin man (Jordan Friedman) who is without a heart, and a cowardly lion (Alex Foxwell) seeking courage. With the assistance of Glinda (Yanelle Pabon-Garcia) the Good Witch Of The North and some minor obstacles from the Wicked Witch of the West (Gina Terl), the four friends travel to Emerald City to ask the wizard (Elijah Molotsky) for help.

The Cherry Hill High School West Theater department presented the musical.

Broadway Night

Every year, Broadway Night gives vocal music students the opportunity to have some extra fun while performing for their friends and families. The members of the vocal music program put in a great deal of work and preparation before performing the most awaited concert of the year. Each year, there is a theme that determines what music will be sung, and what skits will be acted out. The concert also provides opportunities for solosits to show off their individual talents. It is a night that both performers and spectators eagerly anticipate.

The One Act plays provide students with the unique opportunity to compete against other grade levels in acting and directing. Each group of student performers has an advisor, but mainly these are student-run productions. From directing and acting, to building sets and finding props, the students put forth a great effort in creating a performance that is one act long. After everyone performs, judges make the final decision as to which grade level had the best overall performance. The grade that wins gets to perform in front of the their peers at the PAVAS Festival.

"West Baseball certainly has dirty style. We are a team that exhausts our opponents because we simply do not give up. We have prided ourselves on the very essence of West Baseball; selflessness. Each and every player to come out of this program knows that personal accomplishments are trivial without a W at the end of the day. As we set out to take the division by storm, we will always remember late-night baseball (home run derby), the bus rides, and rallying together after infield-outfield."

Softball for me has been a very important part of my life. It has helped me reach goals I couldn't even imagine possible and has helped me get into college. I know that this year will be very crucial for the young team. As one of the two seniors, my sole goal is to help rebuild and construct the team for next year while trying to be successful this year. West softball is all about being a part of something bigger than yourself, and this year is no exception. We show a lot of potential and it is sure to be a great season!

The volleyball team lost four senior starters to graduation last year and will relied on many first-year varsity players this season. Whether playing in a blowout or in a very close match, the Lions stick together and have fun. The team rallies around Coach Nop, who brings energy and humor to the sideline. Leadership and liveliness will come from the many seniors on the team, who have all worked hard to make their final season memorable. Team goals include winning the Olympic Conference American Division, beating rival Eastern for only the second time in 5 years, and advancing in the state playoffs.
"I play volleyball because I love everything about it. I love the team atmosphere, where we are all friends and know how to help each other. I love the competitiveness of the sport. Just always trying to push yourself to be the best. Playing has taught me self-determination and selflessness."

Vocal Workshop is the first step in the prestigious vocal music program at West. It is different from many of the other choir groups at West because it is a musical fresh start; coming in everything is new and unknown. Many students sign up for vocal workshop as Freshmen. They sign up for the class as their elective and devote forty-five minutes each day to perfecting their songs. West’s vocal groups are well-known throughout the country, so each student that participates in the program has the opportunity to be successful. Students enrolled in vocal workshop must be diligent and dedicated as they have high expectations set for them.
Chansons

Chansons is a vocal group comprised of only girls. As a step up from Vocal Workshop, they work and sing together in preparation for the concerts that are held throughout the school year. With hard work and dedication, their efforts result in music to everyone’s ears.

Above: Cree Humphries, Erica Wallace, Tatiana Backstrom are senior members of Chansons.

Concert Choir is the group of vocal students right below West Singers in vocal ability. With the guidance of Mr. Boeckle and Mrs. Bass, Concert Choir vocalists sing and perform songs to learn more about vocal techniques. They further enhance and improve their developed singing voices in hopes of reaching West Singers the next year. Their melodious tunes and harmonies make Concert Choir a joy to listen to.
West Singers is a highly skilled group of young vocalists at West known for having highly developed voices, knowledge of multiple vocal techniques, and exemplary stage presence. At various occasions, this group can be found singing multicultural melodies for a wide variety of audiences. Conducted by Mrs. Bass, this choir is certainly considered to be the elite group of vocal performers.

Chamber Singers

Chamber singers is one of the most prestigious extra-curricular choirs at West. As an a-capella, madrigal choir, their repertoire is extensive and varied, ranging from light-hearted holiday tunes to modern arrangements. Often times, they are paid to venture off school grounds to perform at various locations in the area. The melodious tune of this group brings joy to the crowd.
Femata and Men of Note are Cherry Hill West's award winning contemporary a capella groups. Each group is usually comprised of 11 members of varying vocal range. Besides showcasing their talent at various events in West, both groups frequently perform in the community and at local and national competitions. Men of Note has the prestige of boasting as the three time champions of the Best of High School A Capella in 2007, 2008 and 2009. The ladies of Femata also proudly represent the talent here at West with their title of "Superior."

Symphonic Band

The Symphonic Band meets 8th Period each day, and any student that plays a wind, brass or percussion instrument in grades 9-12 can take the class. The band performs at the three school concerts and combines with the Wind Ensemble and Orchestra at several concerts. Members of symphonic band together with members from Wind Ensemble attend the Spring Music trip each year.

Some of West's top instrumentalists at the school perform in the Jazz Ensemble, a co-curricular group that meets after school one day a week and members are selected via the audition process. The group performs a variety of jazz and pop music at school concerts and at festivals. Many talented students perform "improvisational" solos with the band and some form a Jazz Combo that performs at local events.
The 2009-2010 West Orchestra is a talented group of merry musicians who practice their craft on a daily basis to perfect the arrangements of the master composers of past and of today. Under the watchful eye of their conductor, poised for the motion of the baton, the violins and violas lead the way as the audience is transported to a musical wonderland. Countless hours of practice pay off as the auditorium is filled with the rich sounds of our accomplished performers.
The Wind Ensemble meets first period each day as a class and students are selected for the class by audition. It is primarily for upper classmen but exceptional freshmen that are recommended by their middle school directors are allowed to audition and become members. The group plays the best of the concert band repertoire that is both challenging and exciting. Besides the three school concerts the band performs at local and out of state festivals.

Student Government Organization is a club that centralizes around contribution and helping out the school and community. SGO creates experience after experience. From the Fraternal Order of Police Party to the Festival at Croft Farms, they do it all. They work hand in hand with many other different associations such as the Cathedral Kitchen, making food for the homeless, and the Red Cross, hosting an annual blood drive. When events take place SGO is not only there to be apart of it, but to get the rest of the school involved because that is what they are all about, involvement.
This year the freshmen class has accomplished a number of great things. Thus far, we were able to put together a very successful spirit week. Even though we placed 4th, we did a great job representing the class of 2013, which is something that we must be very proud of. We have also gotten off to a great start with our fundraising, including the Valentine’s Day Data Match surveys and the Joe Corby’s food sale. Coming in April, we will be hosting our freshmen dance, which will be the first of many dances we have to look forward to. Looking back on our freshmen year it has been one full of wonderful memories and great anticipation for the years to come.

We finally arrived, our Senior Year! Our time to show our Roar! This year proved to be even more exciting than we anticipated. The year saw many seniors spending time and focusing on planning for life after we leave West, while embracing our final year here grew to become a priority for most. Our dominant Spirit Week victory clearly clinched our place as the leaders, and demonstrated that we are unmatchable (or un-tie-able)! The Class of 2010 has set a new standard for graduating classes at West.

In the words of Mr. Wolosin "We are Lions. We have shown you our roar. We are going but we are not gone. Our spirit will remain... forever."

DECA is a business and marketing student organization with Chapters nationwide. Mrs. Melbley and Ms. Minutolo advise the largest club at West. DECA has reached a record-breaking membership this year with 183 members. The 2009-2010 Officers included President, Will Lichtenberger, Vice Presidents Ariel Arbel and Chelsea Petr, Secretary, Gabby Lakernick, Treasurer, Chris Hillman, Reporter, Bobby Krowicki, Historians, Kelsey Quillan and Maria Macri. In various fundraising activities such as a Chick-fil-A night and a Ribbon Campaign, DECA members raised $500 for FC2: Finding a Cure for Pediatric Cancer. DECA members competed at the Regional Conference on January 7, 2010. As a chapter, a record number of 76 students qualified to participate at the State Competition, which will take place on February 21-23. The Annual DECA Fashion Show was a great success in February. DECA is a great group of dedicated and motivated business students who will continue to work hard in maintaining a strong and successful Chapter at Cherry Hill H.S. West.

When instructing cadets on how to perform a task, Major Kevin Skelly, right, gives both wise, while simultaneous, light-hearted advice, "K.I.S.S.-Keep it simple stupid."
If you're interested in attending college while learning what it takes to become an Air Force Officer, ROTC may be right for you. In addition to teaching you valuable leadership skills, military training, and discipline, ROTC can also provide you with money for tuition and other expenses through scholarships. To a West ROTC member, the commitment is much more than the mission statement leads you to believe: it’s a dedicated group of students trying to better themselves however they know how. It takes a great student to be an ROTC member, and West takes pride in this organization. Under the leadership of Major Skelly and Chief Gargas, the group marches, prepares, and has a good time!

WE ARE WEST!
To the Cherry Hill High School West
Educational Community
Especially the Graduating Class of 2010!

I am stunned that another school year has gone by and that the Class of 2010 will soon become our next group of alumni. I am going to especially miss this graduating class, many of us have been together since 7th grade at Carusi Middle School. It has been a special thrill for me to spend these six years together and to watch the class grow together. Always remember, that it was as a student at West that you have experienced the recent changes in the world. It is as a graduate that you will step forward and change the world for us.

For our entire educational community, this book reveals our collective history, it tells the story of who we are. It is within these pages that you will find who we are as a community, as a school. We are athletes, scholars, thespians, singers, musicians, artists, linguists, friends, and relatives, companions, young, impressionable, driven, and successful. We are family. We will forever be bound by our connection to Cherry Hill High School West. We have laughed together, we have cried together, and most importantly, our lives have changed together.

Remember the memories of your years at West - remember the foundation you have established. It is in you that we will see the next great changes in our world, the next great accomplishments and successes. If you are fortunate enough to be returning for another year at West, enjoy your summer - read and reflect, dream and laugh, prepare for your return in September. Begin to ask yourself, what legacy will you leave for our school, for our community?

I look forward to seeing you all soon!

Fondly,

Markita has worked diligently throughout her 4 years to prove herself. She is the type of child I could, without hesitation, hold up as an example to others.

Chris is an extremely polite and respectful young man. He always comes on time with a smile and a "good morning", and then leaves with a "thank you, have a nice day".

Lisa has always been one of the most conscientious and productive students I have taught. She exceeds my expectations consistently.
Gabby is always looking for opportunities to help where needed. She is very honest, dependable, and kind. She is a "real team player" when it came to serving and helping others. She is a great member of the choral music department.

John is always willing to serve to help others. He is extremely honest and dependable. He follows a job through until completed. He is truly a "team player" who has been a great asset to our choral music department.

Patrick is a kind and hardworking young man. He is motivated to do well and always is upbeat. He is a pleasure to have in class.
Tiffany Ramos & Mrs. Rakosy

I can list many positive attributes for Tiffany, but the quality that really stands out is perseverance. In the face of adversity, Tiffany never quit, but instead, pushed herself harder to do well and overcome. She's an amazing young woman.

Deneh Like-On & Mrs. Saffici

Deneh assisted several students new to the country and to the school by acting as a Big Brother to them. He was especially helpful in translating.

Sarah Segure & Mr. Vann

Sarah is an ethical, self-aware individual, who embraces her school and township communities. She is mature without being pseudo-adult and she has a delightful sense of humor. Selfless and generous with her time, Sarah forfeited the chance to experience a music internship this fall and winter so she could care for her ill grandmother. She's a treasure!
Hubert's patience and strong work ethic are clearly demonstrated in the quality of the artwork he creates. His pleasant attitude and willingness to help others in class is always appreciated by myself and his peers. Hubert is a pleasure to have in class and I'm very happy he was able to take 3-D Arts with me this year.

Vinny is an independent individual with a positive attitude. He is a leader, a brilliant young man, and an athlete that is highly successful because of his work ethic and love for soccer and school. He missed senior season because of injury but helped coach and lead West to a great year.

Eliana is a very hardworking and pleasant young lady. She is a great class participant. Eliana participates in world ice skating competition and can always get her work. Eliana is an all around great student.

Cherry Hill West Alma Mater

High upon d’ Chapel Hill
stands a school I call my own.
How I love to see her flags
unfurl whenever I may roam.
Royal purple majesties and
white crusaders thrill.
So pledge your love and loyalty
to dear old Cherry Hill.
So pledge your love and loyalty

Snyder Seibt
To me, high school was like a book. It was a book with its ups and downs. Certain chapters saw the introduction of new friends, great teachers, and interesting classes. Other chapters saw late night homework, stress, and arguments with friends. Cherry Hill West was not just a book, but a great book, and like any great book, I am sad that it is coming to its end. A part of me wants to keep on reading forever, but another part knows that it is time to move on, perhaps to pick up the sequel where I'm sure many of the same friends and family will play an important role. No matter what one thinks of their experience at West, it is important to keep the book somewhere on a shelf in the back of one’s mind for the sake of the memories. If I know one thing, it’s that the memories created by this school will be crucial in helping me achieve whatever it is that I want to. And I hope the same holds true for the entire class of 2010. Good luck!

Jennifer Yoo
I believe that people who play the time test roles in our lives impact us in some way. Every individual I have met throughout my four years at West, no matter how brief the encounter, has had a part in fundamentally shaping my experience. I've never been fond of the word experience and all of the vagueness it entails. However, there is no word more fitting to describe my time at West. I lived and breathed every day, and each day I learned more about myself and the world, past and present. West is an experience that has prepared me for life beyond high school, and in doing so, has helped me discover the essence of myself. I am eternally grateful to every teacher, student, and friend I have crossed paths with for making West all that it has been for me (especially Mr. Vanni, who is the absolute best!). I will not, really cannot, ever forget all of the goofy people I have met and the amazing times I have had. I feel blessed to have these memories to forever cherish as I face the world and foray into my future.

Erik Schmedbach
Cherry Hill West has been good for everyone. If anything, this school has taught me, and others, that we need to work for what we have. West did not give me abilities; it simply forced those that I already had, be it through academic challenge or extracurricular opportunity. While I had a great time here at West, I used the challenges available here to test my limits. These tests have shown me the path forwards from here, and West has rewarded my hard work. If there were anything I wanted to say to everyone; to those continuing here at West and to those going off into the world, it is merit in effort. Hard work counts. I have seen many here that possess the skills but lack the drive to continue; all one needs to remember is that work, with a good measure of luck and some skill, brings ample reward. If there is anything that I have learned here, it is the value of industriousness. Work is all the better should it benefit society rather than just yourself. When I commend this school for is its success in shaping me, amongst others, from a raw mass of skill and energy, into focused individuals that will one day continue the forward march of progress.

Jeffrey Reznick
"Education is what remains after one has forgotten everything he learned in school." Though Albert Einstein probably knows what he is talking about, West gave me the education that will last for the rest of my life, and I may even remember some of the information imparted to me by my teachers. For the past four years, life has been a blast; between cross country and tennis filling up my afternoons, or drifting for the Certamen competitions at Princeton, I have had little time to reflect on my days at West. Coming from a private Jewish school, I was told there would be a huge change, but I was welcomed into West immediately. West gave me the opportunity to step up as a leader in my community and even helped me establish myself outside school in NCSY, my youth group organization. Any late nights doing physics labs or SAT wakeups to finish Great Expectations, have been completely worth it and could not diminish the great times that I’ve had in high school in the least.

Max Gross
As we look back on our days together at West, it is not the test grades or class ranks that we will remember. While these numbers were stressed to be of utmost importance by parents, teachers, and administrators, they ultimately are nothing more than digits that appear on paper. It is the bonds that we have formed with one another that will indelibly survive in our memories. From Spirit Weeks to Senior Trip, from varsity games to music competitions, from after-school clubs to late night proms, it is these collective experiences that have certainly transcended the realm of numerical classification. It has been a pleasure to share these four years with the Class of 2010, and I wish everyone the best of luck in their futures.

Our girl has changed in the blink of an eye,
We see now a young lady and almost cry.
It was just yesterday that we were teaching ABCs,
And putting band-aids on all her skinned knees.
But now she needs us for different things,
And we know we must let her spread her wings.
As you continue life's journey,
Take it in stride.
And remember you'll always be Your family's pride.

Love,
Nana & Pop-Pop, Dad, Kyle, Uncle Jeff, Aunt Robin, Uncle Sean, Brett & Brooke

Katy, Words can’t express how proud we are of you. May your future be filled with friendship, love, laughter, happiness and success. Believe in yourself the way that we believe in you and nothing is beyond your reach.

All our best at Wagner....Go Lady Lions and Go Seahawks! All our Love Love, Mom, Dad, Hannah, Millie and Belle
Ariel

You have always been independent

At three you wore what you wanted to wear
From Power Rangers to AAU shorts

You played Hockey with the Boys
You played Baseball with the Boys

You are a Warrior with a keen eye and no fear

Your humor is infectious and makes people want
To be near you

You have an inner strength that people feel

As you go on to the adventure of your Life,
Remember you will always be our little girl!

We love you always,
Mom ♡ Dad
Will
