Telling our tale...

To the Cherry Hill High School West Educational Community –

Especially the Graduating Class of 2013!

Whether the memories contained in the 2013 Edition of Rampant are from your freshman, sophomore, junior, or senior year – they will be cherished for years into the future. When you look at yourself and your classmates through these pages, memories and emotions will come flooding back as you recall conversations and looks, and the inside stories that go along with each image. This yearbook will forever be the key that will bring you home.

For, it is within these pages that you will find who we are as a community, as a school. Each page is another scene in our tale, on our collective journey into the future. I will cherish the moments when we have laughed together and when we have learned together. Throughout this journey, our lives have changed together.

Cherish this book, remember the memories - remember the foundation you have established at West. If you are graduating from West this year, remember that you join an illustrious and accomplished group of thousands of other alumni – represent us well as you endeavor into the future, returning often to give back to our community. If you are fortunate enough to be returning for another year at West, enjoy your summer – read and reflect, dream and laugh, prepare for your return in September, your tale is not yet completed.

As I leave West in July to assume the position of District Director of Curriculum, I will carry with me the incredible memories of the seven years I spent as the principal. This has truly been the greatest job I have ever had; it has changed me as an educator, a father, and a person. High School West will always be my home.

Fondly,

Dr. Joseph N. Meloche

Summer is filled with adventures in the sun. Ocean views, sunsets, and glorious waves flow through the days. These are the times to spend with family, friends, and those who matter most to you. Whether venturing into the ocean, winning a race at Cherry Bowl, or meeting a Buckingham Palace guard, summer possibilities are endless.
Summer Lovin’
Whether it's Summer Leadership School or having a blast with friends, summer goes by fast. Students prefer to spend time with those most important and just have a great time. That's the way summer is supposed to be enjoyed!
Summer heat, boy and girl meet
But, uh-oh, those summer nights
Summer dreams ripped at the seams
But, oh, those summer nights...

Blue skies and fun nights are what summer's all about. With the shore right next door and your friends all around you, summer can't be beat. Summer Time is the best time to leave your worries behind.
Welcome back! Fall marks the beginning of the many possibilities and opportunities that this wonderful school of ours offers. Sports and activities are underway, as students begin to enrich their West experience. This is the time when students begin to meet their teachers and delve into their studies. Football games under the lights are the best way to spend your fall Friday nights.

Arrrgh... they're trying to steal me body! 'Treasure Island' was written by Scottish author Robert Louis Stevenson. It's a riveting tale filled with adventures and pirate intrigue.
As the leaves begin their final descent...
West students morph into a mix of super heroes, ghosts, goblins, Disney classics, and...food? Halloween at West is a special day for all. Even Superstorm Sandy couldn't dampen the spirits of excited students.
Miss Nelson is Missing!!!
Children's Show
You don't know what you've got 'til it's gone,' is true for the students of 'Miss Nelson is Missing.' One day they have the best, nicest teacher ever, and they ignore her. The next day they have a horrible substitute who makes their lives miserable. Therefore, the students go out of their way to find their old teacher. This will lead them to the journey of a lifetime.
Spirit Week arrives once again with students excited to relive their childhoods. This year, West's Spirit Week theme was Disney movies. Each day brought a new contest and new memories. The movies selected were *Peter Pan*, *The Little Mermaid*, *The Lion King* and *Toy Story*.

A DISNEY STORY
The week when students can show their school spirit and class pride
A time for fun and a little competition, the annual pep rally is a time when each class can try to prove that they have the most West pride. From cross-country skiing to male cheerleading, everyone participates by supporting their classmates and cheering for the athletes of our school. We are West!
Every where we go . . . 'every where we go'.
People want to know . . . 'people want to know'.
Who we are . . . 'who we are'.
So we tell them . . . 'so we tell them'.
We are the lions . . . 'we are the lions'.
Mighty mighty lions . . . 'MIGHTY MIGHTY LIONS'.
Our Homecoming Queen, Amanda Doto, and Ray Horner made a great pair at this year's pep rally! As did the other members of the Homecoming Court and their dates!
West pride was on full display at this year's Homecoming game. Whether you were in the stands or on the field, the evening of excitement was unforgettable no matter the score.
Snow fall is one of the things to look forward to in winter, as is cuddling under a warm blanket drinking some hot chocolate. It's also the time for our dance team to go out and win more competitions or the swim team to destroy their opponents. Our musicians thrive in the winter and sing their best. Winter is a glorious time for all.

The Martin Luther King Day of Service instilled a sense of community within the school. Students participated in multi-cultural presentations, as well as activities that promoted equality on campus.
When the sun begins to shine as bright as it can be and the snow is all but gone, the last bits of exciting moments come around. For many, spring means experiencing new aspects of life and uncovering new talents; for others it is the ending of a long journey and the beginning of a new one. Spring is the season of risk, happiness, laughter and opportunities. You finally get to ask that special someone to Prom or maybe it is the first time you try out for a team. No matter what you decide to do, spring is there to be enjoyed with those you love.

Look at this! It's Sandra Dee... and the whole cast of 'Grease!' This year's spring musical blew people away with the hit songs from the 50s and a story about two teenagers who fall in love. What could be a better way to ring in spring?
Broadway Night was the upper classmen’s time to shine in one of their final appearances before the departing West community. Big voices and memorable songs marked the night with such well-known hits as ‘Under the Sea’ from the Little Mermaid and The Love Boat theme song. Broadway Night was all about experiencing great music and hearing the best of West’s vocal music program.
Prom fever filled the air like perfume as members of DECA male and female alike, strutted down the runway delighting teachers and students. The annual DECA Fashion Show is one of the highlights of the school year. This year lived up to the hype with dazzling dresses and debonair suits.
Murder mystery anyone? One Acts is a friendly competition between the grade levels where each class performs various hand selected skits. Though each grade has an advisor, all performances are directed by fellow students. The creativity ran rampant this year.
Performing Arts at West showcases the musical abilities of our students. To join band you must be proficient in reading music and playing instruments. It is these experienced students that produce such grand music at our school concerts, dance recitals, pep rallies, and musicals. The Performing Arts groups require so much of an individual. However, hard work yields results as we definitely have the best voices and sounds around.
Performing Arts
Vocal Workshop is the first step in the path of the West vocal music program. This is where new singers show off what they've got. If they have the right stuff, they continue to move up in the music program. Vocal Workshop sings in a multitude of shows such as Broadway Night and the seasonal concerts.

Attending West is not a Monday to Friday thing. Going to West means being a Lion. It means being proud of who you are and where you come from. West students show their West Pride every day. From scoring touchdowns, to assisting in offices, we are all a part of the pride. We are West!
The faculty and staff are a major part of the West family. When students need help, someone here at West has the right answer. It doesn’t matter if you have been at West for one year or four, you learn that you are never alone. The faculty makes sure to let us know that they are here for us. They wind up becoming important in our lives. We realize that we could not have gotten so far ahead in life without their help, support and ability to push us to achieve what they know we are capable of accomplishing. For always being there for us, we thank you all.

Tales of the Class of 2013...

In September 2009, I welcomed a group of enthusiastic and bright young men and women to Cherry Hill High School West. Throughout their time here they have proven to be as enthusiastic and bright as they appeared during those opening days of school. At graduation time, I am always impressed and inspired by the personal accomplishments and growth they have made over the past four years. Whether it was achieving a grade in challenging course, competing on an athletic team, or participating in a pep rally, they have all grown and matured and become members of the Cherry Hill High School West family. As you move into adulthood, embrace every occurrence as an opportunity to learn and grow just as you did during your high school career.

Congratulations to the Class of 2013. The West theatre program has been blessed with your presence for the past four years. Whether working on sets, sound and lighting, or making the stage come alive with your voice, your impact here is immense. Shine on in the future and continue to make West proud.

Well, they came in four years ago, as some very silly cubs - there were some challenging days with them, but I always looked forward to interacting with them. I am very pleased to see how our 'pride' has grown up and matured. It was this class that witnessed my pregnant ninja moment. (The projection screen detached from its connection and swung like a guillotine at me, but I leapt out of the way.)

It was an exciting year for the class of 2016. We had many memories as the newcomers to Cherry Hill West. In the beginning the school seemed so big, and the classes seemed challenging. But the class of 2016 has worked hard to make an impact.

Now it's off to the future for the Class of 2013.

The annual Senior Trip to Orlando arrived once again with laughter and joy. Seniors had a great time drinking ‘butterbeer’ and hanging with Mickey and Winnie the Pooh. It was a great chance to chill with school friends without the school setting. Disney World meant fun times at the castle and making lifelong memories. At Universal Studios, they enjoyed the company of Marvel Characters and the joys of the Wizarding World of Harry Potter. The Seniors came back boasting tans and smiles.

As much as I feel I have learned from the many classes that I have taken at West, there is still so much more to learn. What I have learned is nothing compared to the vast quantities of knowledge stored in the minds of the people of West, let alone the entire world. I have finally learned the purpose of school. School is not just for learning about Math, Science, English, and the ordinary subjects. West has finally started guiding me to learning about myself. Although it seems I gave credit to the school itself, I did not; I gave the credit to the amazing people within the school. I give credit to the friends that stick with me through the hard classes, trying to stay awake while watching Dr. Walter Lewin’s lectures. I give credit to those that push me to keep up during repeated 300 meter reps. I give credit to those that stuck with me during those long tech week rehearsals every year. The experiences at West have taught us our strengths and weaknesses, which we can use in all our future endeavors. Those people help me realize who I am as well as who I am becoming.

Michael Juan
My experience at Cherry Hill West has been phenomenal. From the students to the administrators, I have felt that everyone was friendly and encouraging. While at West, I have had an enjoyable time in the classroom. My teachers have sparked my interest concerning a variety of subjects. Over my four years at the school, I had a few teachers more than once and it was in those classes that I discovered my strength, which has ultimately influenced my career goals. In addition to academics, I found myself forming new friendships on the soccer field and golf course. These and other extracurricular activities have certainly contributed to my high school experience and have made me particularly proud to have been a Lion.

Sean Bivins
When I was little, I remember how I used to admire the older kids, longing to enjoy the privileges that came with age. I would long for my time to come when I could finally walk those halls of Cherry Hill West. In the fall of 2009, I finally got what I wanted. It didn’t take long before I realized how difficult it would be - taking on rigorous course loads. I saw myself longing for the year to end every single school year. But looking back now, I realize that mindset was wrong. I’ve enjoyed thrilling sports events, helped out in the community, and had many bonding experiences with my friends at West. As corny as it sounds, it really is all about the journey and not the destination. West has taught me to live every day to the fullest while looking ahead and preparing for a good future.

Baneili Desai
The recipe for my enjoyable experience at West:
1. Add a cup of studying mixed with long wavy nights into my bowl.
2. Toss in an array of activities, including tennis, Latin Club, and many more.
3. Throw in a chunk of supportive teachers and staff, who have all done a tremendous job in helping me prepare for my future.
4. Spice up the experience with memorable music trips, and exceptional concerts and musicals.
5. Mix in a pinch of ‘epic fails’ from tripping up the stairs to Chemistry lab disasters.
6. Pour in a few tablespoons of mistakes to learn from and cup of knowledge to share with others.
7. Lastly, don’t forget the most important - add my most compassionate friends, who have kept me lively, even in the most stressful situations.
8. Stir the whole mixture together to create an unforgettable journey at Cherry Hill High School West!

As I've watched you grow

Ciera,
Do you know how much you mean to me?
As you grow into what you will be.
You came from within, just below my heart,
It's there you'll always be though your own life will now start.
You're growing so fast it sends me awright,
With misty eyes I ask, where's my little girl?
I know sometimes to you I seem harsh and so unfair,
But one day you will see, I taught you well because I care.
The next few years will so quickly fly,
With laughter and joy, mixed with a few tears to cry.
As you begin your growth to womanhood, this fact you must know,
You'll always be my source of pride, no matter where you go.
For all your dreams and goals, sit before you very near. With God's
love in your heart and the world by its tail.
You will make us all proud and your determination will prevail.

I am very proud of you! I love you always! Congratulations!
