Unlocking the Future

Dear Cherry Hill High School West Family;

It is my pleasure to share in the publication of the 2014 Edition of Rampant. The images contained within this yearbook reflect the highlights, positive social interactions, and many memories that will undoubtedly be etched into the walls of your memory for a lifetime. The images contained within the pages of this publication are the reflection of your journey into becoming a Cherry Hill High School West Lion.

Our freshmen, sophomores, and juniors that will be returning to us next year should allow this yearbook to serve as refresher of the great times, and epic moments that were realized in the 2013-2014 school year. I have thoroughly enjoyed my interactions with you. I am looking forward to our continued interactions, and to building many great memories with you in years to come! However; our seniors who will be moving on to the next phases of their lives should cherish this yearbook as the physical representation of their segue into the adult years.

It has been our collective goal here at Cherry Hill High School West to prepare our students for post-secondary success by providing them with the keys to "Unlock the Future". Those keys are seen through our high expectations for achievement, for character, for community, and for personal responsibility. I challenge each of the members of our class of 2014 to apply these four keys to each of their future endeavors and I am certain that they each will unlock the doors to a successful future.

Members of the class of 2014, my interactions with you has given me a sense of comfort and security in knowing that you are prepared to face any challenge that you may be confronted with. You have demonstrated your commitment to scholarship through your hard work and diligence. You have demonstrated your commitment to character through your dedication to create a safe, accepting, and inclusive school environment. You have demonstrated your commitment to community through your participation in many community service events. You have demonstrated your personal responsibility joining the ranks of the many distinguished alumni who also consider themselves to be proud Lions. I am hopeful that this yearbook will serve as your personal memento of the fond experiences that you had while attending Cherry Hill High School West. I am proud of contributions that each of you has made to the Cherry Hill High School West community, and I want you to know that you will always be a member of our family.

Yours truly,

Dr. Kwame R. Morton Sr.

Top 1% of the Class of 2014

Caroline Pastine
I am proud to say that I graduated from Cherry Hill High School West. During these past four years I have met students and teachers who have left their mark on my life. I am grateful for all of the support and friendly faces that get everyone through high school. High school is a time for learning from both mistakes and successes. It's a time to learn who you trust, what your passions are, and how you want to live your life. For me, West was a great experience that I will carry with me for the rest of my life.

Michelle Nguyen
When I look back at the girl I was when I walked into West my freshman year, I laugh a little but mostly I cringe. First of all, I was silly and I thought planking was cool. Don't worry, I've matured and even though it might not seem like it, we all have. Four years at West has taught me more about myself than anyone ever could and I'm honored that it is here at West that I forged my friendships and completed my high school years. I could not have spent them with more riveting peers and teachers. We've laughed together, cried together, and triumphed together. I wish the best of luck to the Class of 2014. Not that we need it - we've matured (we know that toarking is the new cool).

Jenna Zagoren
High school proved to be a greater experience than I ever imagined. After spending four years in West, I have not only learned typical school subjects, but also lessons that I can use in any stage of life. West taught me time management, responsibility, and respect—and it only cost me a few hours of sleep. I would not be the person I am today without my friends, my teachers and my memories. While I know that it's inevitable I will grow up even more, there is no doubt in my mind that West has prepared me to make my life the best it can be. No matter where I go in life, my heart will always be with Cherry Hill West, and I will always be a lion.

Valerie Wilson
When I think about my time at West, I can't define it in one paragraph. I know that I've met a lot of people I've come to deeply admire, people with gifts that far exceed my own and with hearts fifteen times the size of mine. I know I'm grateful for all the experiences I've had, and I'm grateful that I got to have them with you. West has made me the person I am today. It's made me a better person. You all have made me a better person. And I know I'll carry that in my heart forever. If happiness is only real when shared, I'm lucky that I got to share so much of mine with you.
Cherry Hill West Alma Mater

High upon ol' Chapel Hill
stands a school I call my own.
How I love to see her flags
unfurl whenever I may roam.
Royal purple majesties and
white crusaders thrill.
So pledge your love and
loyalty to dear old Cherry Hill.

Go placidly amid the noise and haste, and remember what peace there may be in silence.
As far as possible without surrender be on good terms with all persons.
Speak your truth quietly and clearly; and listen to others...

...keep peace with your soul.

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful.
Strive to be happy.
