Take five typists with numb fingers, three tired photographers, two brain-washed editors, one shoe-thin business staff and numerous confused Seniors. Mix them together; add three hundred eleven personality sketches and the result is the 1961 Rampant.

Combatting the problems and chaos, we have compiled a yearbook which we hope will be the best ever. Now we present our two years of work and hope that you will enjoy your yearbook as much as we have enjoyed producing it for you.

of your RAMPANT STAFF
We, the Senior Class of Delaware Township High School, dedicate THE DEDICATION RAMPANT of 1961 to Alexander DiBartolomeo. Patiently and wisely Mr. DiBart has helped us individually and as a class. We extend our sincere appreciation to him . . . our teacher, advisor and friend.

The Hall of Fame is a 1961 Rampant innovation which the staff hopes will be continued as a tradition by future Senior Classes of Delaware Township. Having contributed the maximum amount of time and talent to both the scholastic and extra-curricular programs at Delaware Township High School, ten members of the Senior Class have been selected for the Hall of Fame. These students have displayed the
"all-around" quality which the Lions have always admired. In order to choose this group, a committee of students and faculty nominated seniors and voted upon twenty-two finalists. The results were announced at a special assembly. From the entire student body comes a warm "Congratulations" to these deserving seniors.
We, the officers of the Senior Class, would like to thank our fellow students for the constant support and cooperation given us. It has been a pleasure working with you and for you during our Senior year. To our fellow classmates we extend our sincere wishes for a rich and prosperous future.

Sincerely,

Bob, George, Judy and Andie

Sparked by the leadership of four capable officers and the advice of Mr. Rhea, this year’s Student Council accomplished many things. The Fall Conference of South Jersey Student Councils at D.T.H.S. in October was highlighted by panel discussions, entertainment, dinner and the Honorable Anthony C. Mitchell, Judge of Camden County Court, as guest speaker.

Annual dances, including the Square, Halloween and Valentine Dances, were launched successfully. Activity cards, student handbook, service to orphanages and introduction of the foreign exchange program were all worthwhile undertakings.

Any opinions to express or ideas to submit? Homeroom representatives brought these suggestions of the entire student body before the student government.
Members of the National Honor Society represent the highest scholastic standards. The top fifteen percent of the Junior Class and the top ten percent of the Senior Class are inducted each year. Although excellent scholarship is the primary qualification, character, leadership, and service are also considered.

At an evening assembly in May, 1960, these Seniors pledged themselves to uphold the ideals of the society. After an introduction by Mrs. Warren, advisor, the officers spoke on the society's history and principles and Dr. Robert E. Hansen inducted the group.
"Now! Right now!"

"But...?"

"No bust! Where is it?"

"Uh-oh! I'll let it home. But I'll have it to-morrow!"

Similar occurrences, usually at deadlines, are common. However, it's all part of the game and members of the Lions Roar staff, acquainted with such matters, have learned to overcome them easily.

The Lions Roar, a member of Scholastic Press Association of New Jersey, this year began producing a larger, five-column edition and also joined Quill and Scroll, the international journalism honor society.

The staff, under the guidance of Miss McNulty, has worked diligently to produce this year's newspapers keeping everyone at D.T.H.S. alert with up-to-the-minute news.

OLYMPIC
CONFERENCE TROPHY

Led by able co-captains Bob Cook and Tom Trotman, along with Coach L. Zetty and his assistants, the football team again took the Olympic Conference championship, ending the season undefeated and untied.

The Lions rolled up touchdown after touchdown with the adept passing of Tom Trotman and the speed of Billy Hunter.

Along with this honor, Bill McNaughton was selected to All-Conference, All-Suburban; Art Lyon, All-Conference; Bob Cook, All-Conference, All-Suburban, South Jersey Group III; Tom Trotman, All-Conference; and Bill Hunter, All-Suburban, South Jersey Group III, All-State, and High School All-American teams.
While the team was tops in football, Lion spectators showed their approval by being tops in sportsmanship. We received the Brooks-Irvine Sportsmanship Award for the second year in a row, a feat never accomplished before by any other school in South Jersey. The recipient of this award, selected by all South Jersey high schools, is based on spectator, team and coach attitude and conduct.
CROSS COUNTRY . . . races to end of first year

The sight of twelve pairs of feet trampling down the streets of Delaware Township in the fall marked the initial presentation of D.T.H.S.'s Harriers. The cross country team paved the path to victory, placing second in the Olympic Conference. Not bad for the first year!

drive for successful season

Closing their second season of play, the hockeyettes couldn't boast of an undefeated year. However, the teams wasted no time learning important stick work, practicing good hockey and increasing their skills at hockey camp and at all practices. A new addition this year was D.T.H.S.'s own hockey field.

"Now this is what we're gonna' do . . . ", Coach Susan Bell tells the girls.

Faced with a tough schedule, D.T.H.S.'s ball-handlers were further hindered by a lack of height. With Ed Moffitt holding a record for the most points scored in one game and sophomore Rick Dean excelling, the Lions managed to compensate for early losses and ended the season with 7 wins and 11 losses.

Captains Muffy King and Ava Herald led the varsity team to a successful season of seven wins and five losses. The spirit of competition was high and the Lionesses managed to defeat a few old rivals. The season was highlighted by a game with the women faculty and the annual alumni game.

"You didn't come here just to eat, girls!"

"Takedown!"... "Ride 'em!"... "Throw a half on him!"

The team made its debut with such familiar names as Bob Cook and Art Lyon as well as some promising new faces as Tommy May and Dave Oliver. Competing in the Olympic Conference championship meet, the team ended their first season in third place.

Swimming against some of the best teams in the state, the boys ended the season with six wins and six losses. MERMAIDS

Led by coaches Connie Whitcraft and Pat Elder, the mermaids swam their way to a second winning season. Record-smashing Elaine Johnson and captain Nancy Sahm were the team’s outstanding swimmers. The girls also took part in the Middle Atlantic Championships and in the South Jersey Interscholastic Meet.

On Friday evening May 13, 1960, as Juniors we ascended a "Stairway to the Stars." Couples danced to the music of Ricky Roland's orchestra, in the celestial atmosphere of a roof-top garden restaurant complete with glittering stars, tables adorned with red and white checked cloths and glowing candles.

The evening came to a climax with the grand march and selection of a queen, Edith King, and her court. Having danced into the early hours of morning we descended our "Stairway" filled with pleasant memories of an unforgettable evening.
