The composed Seniors who marched to their Graduation in June, 1962, could hardly be related to the bewildered twelve-year-olds, roaming the upper corridor of "D-wing" in September, 1956. Yet these were the same students, with a number of favorable additions, who had helped to open the doors of DTHS.

FROM THE BEGINNING

As "charter members" of DTHS, the class of '62 spent a hectic SEVENTH GRADE in split sessions, but a remarkable amount of education, growth and maturity was accomplished in those half-days. The members of the class, coming from twelve elementary schools, began getting to know each other, and class government was soon organized with Mr. Bryson Armstead as advisor. Under the leadership of Eleanor Tagliatela, James Cooper, Joy Anderson and William Moyer, a representative system was set up to ease some of the problems associated with a new school. This group helped organize the first DTHS Student Council and worked to draw up its Constitution. Members of the class were enthusiastic to join the newly forming Band and clubs. The same spirit was put into journalism, aiding in the production of The Lion's Roar, vol. I, and the Magazine Drive.

EIGHTH GRADE was begun on a high note, accented with new, spacious facilities and the absence of split sessions. Officers Robert Grubb, Susan Stewart, Joan Kupzoff and William Moyer, guided by Mr. Theodore Hesser, spurred the class to successful efforts in the second DTHS Magazine Drive. Members of the class felt more a part of the Alma Mater and became proportionally more interested in preparing for Senior High. School spirit rose, new clubs were created, Youth Week was initiated, and Student Council and The Lion's Roar increased their services. Students began planning for their courses and careers, while many practiced for next year's sports. Graduation was held at an assembly which parents and friends attended. The crowning touch was the graduation dance, "A Night To Remember," given to the 1962 Lions by the P.T.A.

ENTERING SENIOR HIGH

Returning for FRESHMAN YEAR, the Class of '62 found a larger cafeteria and many finishing touches added to the building. As freshmen, they supported the new football team and other young sports voraciously. The impressive record made in the new Olympic Conference raised school spirit still further, and the class participated actively in student government, school dances, and the even greater range of clubs. Directed by officers Robert Grubb, June Duffy, Phyllis Topham and Carol Armstrong, and advisor Mr. Robert Ainspac, the class sponsored its first dance, held in honor of Saint Patrick's Day. Ninth grade was also marked by the first taste of mid-year and final exams.

SOPHOMORES of the Class of '62 had more room due to the completion of "A" and "C" wings. David Ellis, Susan Stewart, Margaret Campo and William Thorpe, class officers, worked with Mrs. Virginia (Menk) Burns to unite the class in spirit while building the class treasury. Dues were collected, with painful extractions in few cases, DTHS pens were sold and a highly successful "Winter Wonderland" dance was sponsored. During the year 1959-1960, DTHS won the Brooks-Irvine Award, received state accreditation, participated in its first regular varsity competitions, and held its first Variety Show and Athletic Banquet.

JUNIOR SCORE TRIUMPHS

The 1960-1961 school year marked the sudden maturing of the Class of '62, as they began realizing their capabilities. The completion of "E-wing" allowed more elbow room for Junior activities. "The King and I" directed by Mr. Robert Quay, was the first Class of '62 dramatic effort. The results were overwhelming; the musical was viewed by SRO crowds both nights. The JUNIORS worked together with fun for all and money for the treasury by selling refreshments at football games, the Senior play of 1961, and the basketball game, Philadelphia Eagles vs. DTHS coaches. The class held another fruitful Magazine Drive.

MR. BELFIELD AT THE HELM

When Mrs. Burns left the faculty to raise her own little geometry class, Mr. Walter Belfield stepped in more than ably to advise officers David Ellis, June Duffy, Margaret Campo and Frank Cook. The Juniors then promoted Bow Day to boost school spirit and the Junior treasury. Junior Clean-up followed swiftly, inspiring among the whole student body more consideration for the condition of DTHS buildings. Juniors selected their RAMPANT editors and staffs, who immediately began the groundwork for the 1962 edition. Most of the class will longest remember the mystic Junior Prom, "Crystal Fantasy," which far surpassed all expectations in decorations, music and mood.

SENIORS—AT LAST

SENIOR YEAR—the year—for the Class of '62 was as full of fun, rush and memories as could ever occur in thirty-six weeks. Along with the standard pile of job and college applications, qualifying tests and placement exams, Seniors exerted maximum energy to produce another astonishing musical. Two packed houses enjoyed "Annie Get Your Gun" directed by Mr. Robert Quay, Mrs. Marjorie Grier and Mr. Ralph Barclay. Whole-hearted endeavors and long hours were absorbed by publishing and financing the 1962 RAMPANT.

Kept busy from September till June were officers David Wooters, Mary Lahey, Margaret Campo and Frank Cook. The early collection of class dues, with much weeping and gnashing of teeth, helped many students to avoid mile-high debts at Graduation. Two worth-while days of the previous year, Clean-up and Bow Days, were restaged with even greater support. June, after six years on Chapel Hill, came awfully fast. Exams were over and the months of planning for the Senior Prom were rewarded by an evening of delight and beauty with a galaxy of radiant memories. Baccalaureate and Commencement filled the graduates with emotions from relief to regret, but mostly with pride in the school they had helped to create and the class with which they graduated. The Senior picnic and the rest of Senior Week were a fusion of antics and congeniality, guaranteed to laugh away any Senior tears.

PERSPECTIVE

The Class of 1962 can hardly review the history of DTHS without realizing what a great influence the growth of the school had on their personal development; without feeling awed at the debt owed for this opportunity. At the same time, this class can be justly proud for their part in the establishment of a school in which thousands will feel pride in the years to come.
With much pride, Mr. Robert C. Quay, has been chosen for our dedication as well. It was through Mr. Quay's unselfish efforts that our class has gained a distinction of having successfully produced two broadway musicals. Due to his enthusiasm and labor the senior class of 1962 is proud to recognize Mr. Quay as one of its most prominent leaders.

As the 1962 graduating class of Delaware Township, we have the extreme pleasure of having Mr. Walter W. Belfield as our class advisor. It is with great devotion and admiration that we have selected him as a part of our dedication. Mr. Belfield has relentlessly worked for our class, giving each of us sincere and personal interest, not only as a teacher but as a friend.

TO THE CLASS OF 1962:

Perhaps the gravest danger facing mankind
is attentiveness to the present with disregard for
the future. Eternally the moment triumphant
grays and fades to memory, but the challenge
of tomorrow remains bright and even dazzling.
Yours is the choice but it bears not procrasti-
nation. As I extend to you my sincere congratu-
lations and best wishes for the future, may I urge
that you search your future aspirations with care,
ever mindful of the need to be constantly alert,
intellectually curious, and persistently forward
moving.

Give me a light that I may tread safely into the unknown...

M.K. Hashins
Leadership must thrive upon an earnest desire to promote initiative, honesty, and understanding. We, as students, must not underestimate the value of leadership, for knowledge itself is dependent upon its many assets. Students who possess outstanding qualities, not only in their academic achievements but in leadership, character, service, athletics, and extracurricular activities are hereby praised and congratulated before the student body so that they
A committee comprised of senior students and faculty members carefully chose these leaders to symbolize the proud achievements of the class of '62. The Hall of Fame will long be remembered in the tradition of D.H.S., as one of the finest honors bestowed upon a student, for it is through the endless efforts of such people that our school has achieved its fine reputation.
The Robert E. Hansen chapter of the National Honor Society encourages students to acquire high scholastic standing. Its members are characterized by excellent scholastic achievement throughout their high school years. Their character, personality, and service to the school are also important as requirements for membership.

The Honor Society is a highly selective group, which is made up of fifteen per cent of the Senior class and ten per cent of the Junior class. One must have all A's and B+'s in major subjects in the Junior and Senior years of high school to be considered as a member.

Mr. J. Collins
Being a member of the Honor Society is the reward of four years of diligent work and service for the school. The students who belong to it have succeeded in accomplishing the highest scholastic achievement possible and have maintained an excellent character record. On these pages, the Senior Class of 1952 is proud to present the seniors who fulfill these qualifications.
Mr. Walter Belfield joined the faculty of Delaware Township High School in September 1960. The students he taught were members of the graduating class of 1962. Mr. Belfield became vitally interested in our many class activities and helped us with great enthusiasm. Due to his vibrant personality and efficient manner, Mr. Belfield was chosen as our class advisor in March 1961.

Our Commander, Mr. Belfield, helped us through the great ocean of difficulties we faced as Seniors. To individual students he was a true friend and guide. He filled the entire class with an overflow of spirit and enthusiasm.

His energetic and seemingly tireless perseverance have made Mr. Belfield a long-to-be-remembered part of the Class of 1962.

STUDENT COUNCIL

There is no single organization within the student body that has so enhanced and furthered the overall school-spirit, enthusiasm and class-wide student goals as our energetic Student Council. The success achieved thus far has depended greatly upon the dynamic leadership of Mr. Rhea. Student Council Advisor: Bill Thorpe, President: Joe Puccini, Vice-President: Sue Lewis, Secretary: and Jim Williams, Treasurer.

The accomplishments of Student Council this year are numerable. Attention has been brought to individual and group problems as well as to promotion of friendly relations with other schools. Great strides have also been made in teaching high school students the functions and procedures of a representative government.

Delaware Township will not soon forget the many projects Student Council has successfully undertaken. On a whole, Student Council has worked toward and successfully promoted a more unified student body, with unanimous zeal, support and dedication.

It's the Business Staff!

Into the bustling activity of the newsroom walks a kindly looking man.

"Oh, no! It can't be!"

"It's the printer!"

"But, but, we uh ..."

Exclamations such as these may sometimes occur because of the close schedule the Lions Roar staff follows. With eight large issues to publish, the staff works diligently all year and under the guidance of Miss Eileen McNulty, always goes to press on time.

The Lions Roar, which is a member of the Scholastic Press Association of New Jersey and the Quill and Scroll, an international journalism society, endeavors to bring the students of D.T.H.S., a complete coverage of activities and entertainment. This year of 1962 has been particularly successful because of the enthusiasm and drive of the Lions Roar's many staff members. Their workmanship and devotion will surely be successful guides in the years to come.

The newly formed Foreign Language Club combined students from four of the major languages: German, French, Spanish and Latin. Directed by Dr. Fisher, this club gave its members a general understanding of foreign countries. Numerous activities were conducted throughout the year for the separate clubs: El Gid-Spanish section, Roman Banquet-Latin, French Banquet-French and hosting for the German section are just a few of the events that took place. A Language Festival in the form of a picnic ended the activities of the club.

LESTER ZETTY

As Director of Athletics, Lester Zetty plays a most important role in shaping the character of the graduates of Delaware Township High School. It is his responsibility to provide a widely diversified program of athletics which will impart to the students a spirit of unity as well as competition. In his work as Athletic Director, varsity football coach, and physical education instructor, Mr. Zetty has exhibited those qualities which denote a true leader. The class of "62" extends to Mr. Zetty its heartfelt thanks for a job well done.
Once again the D.T.H.S. football team exhibited the same prowess that has won them acclaim in past years. Due to relentless efforts of coaches, Zetty, Chilbert, Stashis and Simpson, the Lions remained undefeated again in the Olympic Conference. Unfortunately, due to a scheduling technicality they were kept from rewinning the championship. However, the pride of the team was felt throughout the conference as the squad produced another All-American for the second consecutive year. The teams and the school look forward to a difficult season next year as our schedule will include stiffer competition within Group Four.

CROSS COUNTRY

Although the cross country squad experienced growing pains last year, they now are developing into a fine group. Expertly coached by Mr. Ainspac, the boys finished with a 3-5 record in the dual meets, and placed second in all triangular meets. They were tied for first place in Olympic Conference, and placed third in the Camden County Meet at Farnham Park.

Harry Pugliese and Joe Davis proved to be luminaries, and will star next year.

The D.T.H.S. hockey team, ably directed and coached by Miss Susan Bell and Miss Pat Elder, swung into its third season this year as enthusiastic and lively as ever. Although the hockeyettes had an unsuccessful season the enjoyment and pride of the games were at their height.

Many seniors were spotlighted on the hockey field this year, among them being Faye Johnson, Sue Stewart, Barbara Baylie and Candy Russell. Sue Tapper had a particularly successful season as high scorer and co-captain of the varsity squad. Most of the players will attend hockey camp this summer where we are sure it will lead them to a more profitable season in 1963.

Sue Tapper, Varsity Captain.

Faye Johnson, Junior Varsity Captain.

Under a new coach and with a relatively new team, the Lions were forced to open up the season against exceptionally strong competition. Goings were rough through the first three games, but suddenly Coach Pete Monska’s Squad began to jell. The able quintet proceeded to win 14 of their last 15 games, and ended the successful campaign by upsetting perennial power Camden High, and finishing the season with an impressive 15-5 record.

With junior Rick Dean setting a team season scoring record of 446 points in 20 games, the Lions swept by opponent after opponent and remained undefeated in the Olympic Conference competition. Their excellent play also earned them a spot in the post-season tournament, their initial opponent being Atlantic City High School.

Although the varsity met with little success during the season, there was much team spirit exhibited by the girls. Coached by Mrs. Howard and Mrs. Whitaker the team displayed excellent form in all of their games.

The captains, Ronnie Ruskavigne and Carol Gardner, were ably assisted on offense by Sue Tapper and on defense by Faye Johnson and Violet May. By the looks of the junior varsity, it is safe to say that the female version of basketball has a hopeful future in sight.

The Lion Tanksters took to the water as if it were their natural medium. As one of the powerhouses of South Jersey, they completed their season with only two narrowly lost meets.

Coached by Mr. Rhea, the team displayed the makings of a state championship squad. Strong in all events, outstanding performances were turned in by Dennis Duffy in diving and breast-stroke events and Phil Carman in the butterfly races. As a result of their successful season the swimming spirit reached a new high this year at D.T.H.S.
Ably led by coaches Miss Elder and Miss Fox, the girls swimming team swung into its 2nd victorious year. The girls were especially enthused and proud to have Elaine Johnson, the only Senior girl on the team, who is cited as one of the best swimmers in the United States. Next year promises to be even more promising with the upcoming juniors such as Claudia Johnson, Eileen Mahaffey and Donna Sceiza.

These girls and all on the team, exert the good sportsmanship and ability that makes D.T.H.S. proud of them always.

There's a dollar at the bottom!

Just relax, girls, just relax!

The Lions took to the cinder path this year under the expert tutelage of Coach Joe Chilbert and Assistant Robert Ferris. Demonstrating their greatest strength in the field events, the Lions were led by seniors Bob Grubb and Joel Korngut in the shot put, Tom Klingler in the discus, Jay Kempf in the pole vault and Dave Gallo with the javelin. The runners were bolstered by hurdlers Tom Cox and Dudley Kahn. Much new talent is also in store for the future in the form of Harry Pugliese, Joe Davis and Willie Cowan.

BASEBALL

The D.T.H.S. "nine" are looking forward to repeating their championship performance which they displayed in 1960. Led by coaches Brigliha, Gersalle, Joy and Mouska the team will hinge on the play of many underclassmen. Power will be provided by Marty Weber while Bill Moyer and Fred Chmielewski are counted on to hold the infield together as Jerry Urban roams the outfield. All of these factors considered, the Lions can look forward to a very successful season.
Hold everything, I have to sneeze!

Eddie Butler and Jerry Urban combine talents for another spectacular play.
Although in its first season, the boys’ bowling team proved a formidable opponent for all competition, and fared extremely well. Under its able coach, Mr. Paul Greiner, the six-man squad showed steady improvement during the practice season, and developed into a proficient wit by season’s start. Led by captain Skip Lotz and co-captain Mike Saltzberg, the Lions won three of their four matches.

SOFTBALL

"It's a hit!" The girls softball team has come through again. For the past 3 years a group of girls under the supervision of Miss Lois Anservitz, and this year under the supervision of Miss Susan Bell, have constituted a winning softball team. These girls have a tremendous interest in their sport and can be seen practicing diligently everyday of the season. Many of the members are seniors and although they are leaving this year they are leaving a capable team behind them.
Coach Simpson's Tennis Team again looked forward to a highly successful season. Most of the team last year were underclassmen, and this year many of them returned as seniors. Tom Cutter was backed up by Art Brosbland and John and Jim Cowan. Other players included Dave Thompson, Jim Williams, and Bill Thorpe.

We're real tennis champs in our U. S. Keds!!

As spring arrived at Delaware Township, the shout “Goal” may have been heard reverberating from the LaCrosse field outside “E-Wing”. This year the LaCrosse team concluded a successful season led by seniors Sue Tapper, Elaine Johnson and Candy Russell. The team has a bright prospective, well due to the abundance of Junior talent in the form of Marty Houser, Eileen Mahaffey and Joan Scott. Coach Bell and Assistant Coach Schilling employed their experience in developing this championship team.

Don't worry girls, someone's bound to find the ball!

A huge roar could be heard rising from the gymnasium as the Delware Township student body amased to honor our teams and spur them on to victory. The Pep Rallies were highlighted by the cheerleaders, majorettes, colorguard and band under the direction of Mr. Burley. These programs inspired the student body a unity and school spirit which they placed directly behind the teams.
Music

The pursuit of the perfect, then, is the pursuit of sweetness and light.
COLOR GUARD

Under the direction of Mr. Burley these eight girls make up the Delaware Township Color Guard. These girls have a capable leader in their captain Carol Shore. Their main functions are to head the band at football games and to assist at various assemblies such as the Hall of Fame. They are also present at Pep Rallies where they perform their difficult routines, before excited and appreciative audiences. Without their unique routines and colorful arrangements our sports program would lack its usual vivaciousness and originality.

Whether on a lamp-lit stage, in a crowded gymnasium, or on a muddy football field, the D.T.H.S. majorettes can be counted upon to present colorful and entertaining routines. Under the supervision of Mr. William Burley, the squad performs at football games during pre-game and halftime, at pep rallies, and travels to various schools with the band. The ten majorettes are led through twirling and dance numbers by co-captains Ronnie Ruskavige and Dottie Myers, who are to be credited also for the squad’s new and clever ideas.

A night to remember for all Juniors was the Junior Prom, held on April 28, 1961. This "Crystal Fantasy" held more than the customary beauty and enchantment of most proms. Under the direction of its many chairman, the evening became an enthralling success and entraped within its "fantasy.

For many months prior to this event, members of the Junior Class worked diligently trying to create the mood and designing in their fantastic decorations but also in every varied aspect of the evening. At their final effort to present a class prom, the Juniors succeeded enormously. We will long remember this evening and feel proud to have been a part of it.
THE KING AND I

A MUSICAL PLAY IN TWO ACTS
By Arrangement with Rodgers and Hammerstein

FRIDAY AND SATURDAY, DECEMBER 9 AND 10, 1960
PRODUCED BY
THE JUNIOR CLASS OF DELAWARE TOWNSHIP HIGH SCHOOL

For their first theatrical effort, the Juniors staged Rodgers and Hammerstein's immortal classic, *The King and I*. This engaging musical delighted all who saw it at the two sell-out performances of December 10 and 11, 1960. This was the first D.T.H.S. attempt at a musical presentation, and its success prompted the forthcoming, "Annie Get Your Gun."

Susan Campbell expertly portrayed the courageous English governess Anna Leonowens, who came with her son to the kingdom of Siam to tutor the king's children. Richard Berlin superbly played the stubborn monarch who was groping into liberalism because of the influence of Mrs. "Anna." Jackie Panciera and Jim Parsons portrayed the ill-fated lovers, Tuptim and Lun-Tha.

Expertly directed by Mr. Robert Quay, the show proved to be entertaining as well as touching. The ballet, "The House of Uncle Thomas" was staged by Mrs. Grier and was a joy to see. The musical director, Mr. Ralph Barelay, brought the unforgettable songs to the D.T.H.S. stage with the same beauty as the professional production.

The class of '62 will long be remembered for its talent and vivaciousness put forth in the production of the *King and I*.
ANNIE GET YOUR GUN

A MUSICAL PLAY IN TWO ACTS
By Arrangement with Rodgers and Hammerstein

FRIDAY AND SATURDAY, DECEMBER 1 AND 2, 1961
PRODUCED BY
THE SENIOR CLASS OF DELAWARE TOWNSHIP HIGH SCHOOL

The Senior Class proudly presented Irving Berlin’s hilarious musical comedy, *Annie Get Your Gun*, to two “Standing Room Only” audiences on December 1 and 2, 1961. From the raves of the spectators, the performances and overall presentation were termed excellent.

Sue Campbell, our “fair” leading lady, played the legendary Annie Oakley role with zest and theatrical skill. She perfectly radiated the humor and folksy character of Annie. Bob Morris added to the production with his flawless job as Frank Butler, the male lead. Harold Kasselman portrayed Chief Sitting Bull with humor and warmth. Mary Lahey and Judy Banda, both talented girls, shared the part of Dolly Tate. Phil Carman and Jackie Panciera were charming as Tommy Keeler and Winnie Tate: their two song-and-dance numbers delighted all.

Again the three masterminds of the *King and I* success, Mr. Quay, Mr. Barclay and Mrs. Grier, gave the Seniors the success they deserved. Paraphrasing an old song, “There’s no show like our show.”

Under the direction of Mrs. Chambers and student director, Susan Gitomer, the cast turned in professional performances. With these dramatic laurels earned from this initial effort the Junior Class is sure to repeat its success next year.

The plot concerned the brutal elimination of ten people, invited by a homicidal maniac to a deserted island. The maniac who is one of the ten people is not discovered until his ruthless deed is completed.

Harris Silverman and Barbara Stroup respectively portrayed Philip Lombard and Vera Claythorn, the two main characters of the play. They were assisted by Walt Johnson, Fred Lappin, Jim Seeley and Marlene Tissot.

At the Thanksgiving parade, Jackie Pancera and Sherry Townsend are selected for the homecoming court.

The dance committee forges ahead.

Some 1961 graduates return.
Ah, this is the last of 700 bows to be made.

Mr. Cannavo donates generously to Diana and the Senior Class.

Success and pride climax a busy week of Junior Activities.

As Juniors, the Class of '62 served the school in several ways. In an attempt to elevate school spirit within the students, the class declared Bow Day. Armed with purple and white ribbon bows, the Juniors embarked on their mission, to distribute bows to all students for a small donation. The undertaking resulted in much success and undoubtedly Bow Day will become part of our growing school tradition.

In an attempt to perform a service to the school, the Class of '62 took up sponges, buckets, rags and paint brushes and went from room to room throughout the school until every mark was removed from every desk, wall, bulletin board and blackboard. Without a doubt everyone who participated in Clean-Up Day had the time of their lives in serving his school.

All work and no play makes for a dull group.

A meeting in E-11 decides the varied chores to be completed.

The Juniors build up energy for their toilsome labors.

Now, where shall we begin!!
Sighs in June marked more than relief at the end of final exams. True, Senior work was completed, but Senior Week had just begun. Two days of indescribable but unforgettable Senior Week arrangements preceded the unforgettable Senior Picnic, the Class of 1962 received the last layer of moral armor at Baccalaureate, and graduated the following evening with understandable pride and hope.

The dignity of Commencement was preserved to all attending, the Senior Picnic was more than effective in combating and just plain fun filled the day with laughter to last, along with all Senior Week memories, when lions have stopped roaring.
What though the radiance was once so bright
Be now forever taken from my sight,
Though nothing can bring back the hour
Of splendour in the grass, of glory in the flower;
We will grieve not, rather find
Strength in what remains behind.
