February 1992

Dear Class of 1992:

Congratulations to you and your families upon your graduation from High School West. The next few years will produce significant changes in your life: many of you will move away from home; almost all of you will continue your education; most of you will begin full-time work and careers; some of you will marry and have children. The academic and social skills you have learned at West will be needed to guide you through these years.

The relationships you have established over your years at West will in one manner or another last a lifetime. You will have periodic opportunities to renew these friendships as your class gathers for reunions. Staying in touch and involved will insure many reunions for you. The newly established West Alumni Association will keep you up on class news and events. Be sure and become a charter member.

Best wishes to all of you.

Sincerely,

Richard A. Simon
Principal
Dear Students:

You are now looking at a book that mirrors many of your activities over the past ten months. As you look over this book, ask yourself if you accomplished all that you would have liked to accomplish, in the areas of academics, sports, and extra-curricular activities.

If you accomplished all that you expected, then it is my hope that you set your goals high enough so that you will lead a rich and fulfilling life. If you have not accomplished all that you expected, then I hope that you will use this realization as a springboard to set out and accomplish more goals in the coming school year.

I wish all the members of the Class of 1992 a successful start in life as you take the big step of preparing for your future. It is my hope that you take your place as mature individuals in this or any community, and that your thoughtful contributions to the welfare of society be all that you set out to accomplish.

Best of luck to all of you, especially Toby. Have a good summer!

Dennis W. Davidow
West is a place of excitement! Each year our students come with their hopes, dreams, talents, goals and needs, striving to become individuals who appreciate life and all its possibilities. Through the formation of meaningful relationships with teachers and peers, they discover ways to face the obstacles which confront them. Through the pursuit of the academic, they grow in appreciation of the complexity of our world, beginning to form ideas of how they might contribute to its well-being. And out of this atmosphere of growth and activity come the knowledge, friendships and memories which set the stage for the future.

As senior house principal for the 1991-1992 school year, I hold out the hope that each member of the Class of '92 will meet with success in all their endeavors. I wish them the courage and strength to make the right decisions, pursue worthwhile goals and become the best they can be. In good times and in bad, may they have the support and encouragement of loved ones, so that the journey of life will never be travelled alone.

It has been my pleasure to work with the students and staff of West High School. I look forward to the years ahead and to all that has yet to be shared and enjoyed.

Dear Students,

As I write this letter, I am half way through my second year at West, and I have learned that West is a place where students are encouraged and nurtured by their teachers and by their fellow students. Here at West, there is something for everyone: art, music, business, sport, and academics.

For all who attend West, I hope that there are cherished memories of teachers, of fellow students, of achievement. As students move through West and graduate, there is both a joy and a sadness. There is joy for the commencement—the new beginning—in the workplace or the classroom; there is sadness for one's leaving after but four short years. After one is at West for a short while, one learns that, as with all schools, students provide the school's spirit and character, and teachers provide the energy, the direction, and the vision.

To the seniors who will leave at the commencement for the Class of 1993, I would hope that the smiles of friends, the work of your teachers, and the encouragement of your coaches will remain with you always. West has been your community for four years; in your success, may you look back to this community and to those who nurtured and encouraged you: your teachers and your fellow students.

Sincerely,

John O'Breza

After weeks of gathering support and campaigning, freshman offices were filled. Life was brought to the class of 1995 under the leadership of Governor Meraj Mohiuddin, Lieutenant Governor Susan Back, and Treasurers Gina Doddy, Gregg Freedman, and Matt Halpin. With the help of Mr. Josephs, the class made a name for itself. The sale of West boxer shorts, candy, and pretzels were instant successes. But, the class of 1995 contributed to more important causes such as the fundraisers for the Joan Katz and Nate Watson Scholarships. The freshman have created a strong foundation for their future at West.

As freshmen days turned to happy memories, the class of 1994 jumped into the packed agenda of their sophomore year. The class spent many hours fundraising with a pizza sale, Hershey Kiss sale, M & M sale, carnation sale, and bake sale. A fun-filled volleyball night was held by the class as well as a charity hayride for underprivileged children. Other activities included the creation of Spirit Week gym decorations and float, and a class trip to Dorney Park. Mrs. Church supervised the active 1994 government which was led by its Governor Majid Mohiuddin, Lt. Governor Aaron Lazar, Secretary Heidi Bahnck, and Treasurer Janie Zuber.

With the assistance of its advisor Mr. Munyan, the class of 1993 brought new meaning to class government. Always ready and dedicated, Governor Dipal Doshi, Lieutenant Governor Brian Schmidt, Treasurer Wes Tudor, and Secretary Amy Weiderman planned an action-packed year. The juniors had a chance to share themselves with less fortunate children when they sponsored a hayride for the kids. Aside from running the concession stands at home sporting events, the juniors sold West boxer shorts and started on the popular Men of West calendar. However, the class' biggest project began in January with the first steps toward the class of 1993 park. And to top off the year, the class held a first-class prom at the Harbor League.

Fox ignites Cherry West over Cherokee

By MARIANNE BOWKER
 Courier-Post Staff

CHERRY HILL — Senior Sara Fox scored the lone goal of the game as seventh-seeded Cherry Hill West High School shut out 10th-seeded Cherokee 1-0 Tuesday in the first round of the South Jersey Group 4 field hockey tournament.

West advanced to face Eastern, the second seed in the tournament, on Thursday at Eastern High School at 1 p.m.

Fox scored West’s lone goal early in the first half off of a pass from Chris Baum. Goalie Bronwyn Glantzigberg secured the shutout, making seven saves.

After the early goal, play was even, without domination from either side.

But in the second half, Cherokee’s offense took over, not allowing West to put a shot in on goalie Jen Giordano as the sophomore had two saves for the game. West ended the game with just five corners, none in the second half.

The Chiefs, however, kept Glantzigberg and sweeper Courtney Ferguson busy by nearly tripling West’s corner total with 13. Cherokee only managed one shot off the corners.

Cherry Hill head coach Barbara

C.H. West allows just one shot and, so far this season, no defeats.

Things are looking up for West's Kim Kohute (left), coach Gene McDonnell and Alisa Scocca.
Winning attitude: CHW 'three-peats'

By BRUCE MORAN

Cherry Hill West baseball players each season confident of winning its championship. They call it their championship attitude.

The attitude first surfaced in 1989 when Cherry Hill West won the Group 4 pennant championship and its Star-Ledger Trophy as the No. 1 team in the state.

The following spring Cherry Hill duplicated those achievements to Union (1974, 75) as the only team ever to win two straight Star-Ledger Tropheys.

The Cherry Hill West players enter this spring confident of reaching the finals due to a proactive off-season program.

must work on to improve," said Trotman, who has been running the team for 25 years. "The kids go to camps, lift in the weight room and hit at a batting cage a few miles away, in Mt. Laurel.

And these kids have the knowledge on what it takes to win. The championships we won the past few years have rubbed off on the players who moved their way up to the varsity. Winning has a way of building a lot of confidence.

Once this season began, Trotman's players followed his winning formula: Make the routine plays on defense, battle on the base paths and put the bat on the ball.

Sticking to the basics, Cherry Hill West roared through the regular season record. The team then took another state tournament in Group 3, due to an 8-1 victory over Raritan.

Trotman's troops opponents to bring home the third straight state championship this season.

Left-handed star: Former Cherry Hill West pitcher Kyle Young, now at Seton Hall University, was named to the All-State team.

Cherry Hill West evened its record at 3-3 overall and 2-2 in the division. Camden is now 1-4-1, overall, 1-4 in the division.

Clymer turned in a spectacular performance in the first half as West took a commanding 27-8 lead. He hit 5 of 8 passes, good for 151 yards and three touchdowns.

"Walter is that kind of an athlete," said West coach Ike Smith. "We think he has Division 1 talent probably as a wide receiver or a defensive back. He can carry a team when he gets going.

"We needed this win badly after last week. We didn't play with much motivation or intensity against Gloucester Catholic. But today the kids responded with an excellent effort."

Clymer agreed with his coach.

"Last week we didn't practice a major championship when they were 14 and 15 years old," said Trotman.

The leadoff batter and sparkplug this season was first-year starter Chad Crovetti, a senior second baseman who scored a team-high 31 runs and batted .495.

"Chad was the guy who got us going," said Trotman of Crovetti, who will play next season at Allentown College in Center Valley, Pa.

Scholzky, who had a 3-6 record and a 1.52 earned run average as a junior in '90, blossomed in his first season as the pitcher.

Class History
In memoriam
Theodore Seuss Geisel
1904-1991

After a lifetime of entertaining the world’s youth, Theodore Seuss Geisel, eighty-seven, died from natural causes on October 1, 1991, at his home in La Jolla, California.

Known more commonly as Dr. Seuss, Geisel began his career as an advertising copywriter during the thirties. Because his contract limited his free-lancing in any other field of literature, he wrote children’s books. In 1937 he wrote his first book And to Think that I Saw it on Mulberry Street. Forty-seven more books followed, including Horton Hears a Who, The Cat in the Hat, and Green Eggs and Ham. Dr. Seuss sold over 200 million books that have been translated into twenty languages.

Geisel was rewarded for his tireless fight against illiteracy. He received an Oscar for the animated cartoon Gerald McBoing Boing, a Pulitzer citation, and Emmys for Grinch specials, among others.

... we won’t forget you, Dr. Seuss.

1992

Between tomorrow's dream and yesterday's regret is today's opportunity.

Life is like a radio comedy; it doesn't always follow the script.

The dreams of childhood—its airy fables; its graceful, beautiful, humane, impossible adornments of the world beyond: so good to be believed in once, so good to be remembered when outgrown.

-Charles Dickens
