Administrators’ Report

A. Director’s Report – Ms. Laverne Mann
   1. 2017 Annual Report distributed to the Board, electronic version will be available.
   2. Volunteer Appreciation Breakfast Thursday, April 19 at 8:30 a.m. in Conference Center. Board members are encouraged to attend.

Special Presentation on Library HVAC, Chiller - Mr. Gary Kanefsky (CHT) & Mr. Russ Lindmeier (CHPL Facilities Manager)
   1. Library chiller will need replacement: current system is old, replacement parts are difficult to find, service calls occurring more often and are very expensive.
   2. One option is remove chiller system altogether and put condensing units along the back edge of the building, costing approx. $115,000.
   3. Another option is replacing the chiller in kind, costing approx. $300,000.
   4. Best option would be to remove old system, install two smaller chillers (125 ton each). With two units, can alternate use of each - one always available if the other fails, higher efficiency than the unit we have now, costing approximately $400,000.
   5. The Library is a cooling center for the area so an efficient system is important.
   6. This will be a big job, to be scheduled in the fall if possible.

B. Library Services Manager – Mrs. Jennie Purcell
1. Carpet was replaced in the Computer Lab on 1/31/18 and the entrance of Reference on 2/1/18. Part of Circulation will be re-carpeted during library closure on 2/23/18, Staff Development Day. Items in Circulation will be relocated in the Library so patrons can still check out items.
2. Received seven quotes for the Landscaping bid. We selected Rahn Landscaping per the resolution accepting the lowest bidder.
3. Lost power twice in January. One was due to the ice storm when a pole was knocked down. The other was due to a main circuit being tripped. Our generator is not able to handle the size of the building; it will only run for two hours. In the near future I suggest looking into purchasing a generator capable of handling the size of the building.
4. We have one open position in Maintenance for a Facilities Manager, full time with benefits.
5. Barnes & Noble gave the Library a knight made of Lego’s. It was placed in Youth Services by the Lego books.
