   1. Met with Remington & Vernick on October 17 regarding the mini-chiller project, the engineers that were hired to prepare the bid specs. They advised the project will take approximately 5 months once started; the Library will remain open during this work. The pre-bid meeting date was November 5, five companies attended for the walk through. All companies must submit bids online via the Cherry Hill Township website by November 20. This project must be completed by April 5, 2019, which is a very tight schedule.

   2. Spoke with Steve Muscelli (DPW) and Lenore Rosner to obtain a snow plow for the Library. Library Facilities Manager Jim Stamer has his CDL and plowed for the past 16 years at his previous job. Steve welcomed the offer and asked that Jim also plow the Township building lots so DPW can focus on plowing Cherry Hill neighborhoods. More information to follow.

   3. Currently working with time keeping company on the new sick leave law that went into effect October 29 in New Jersey. Every part-timer not in the union earns one hour of sick for every 30 hours worked, up to 40 hours earned per year.

   4. Currently have open enrollment for health benefits for union members only. We are moving 18 union members that have our current health benefits to the plan our non-contractuals are using. This will help save approximately $20,000 in the Library budget. The deductibles are higher along with a few other changes.

   5. Working on getting staff ID badges at the police department for newer employees that do not have a Library ID.

   6. Rahn Landscaping was here November 5 – 7 to start fall cleanup. They placed mums on the front property around the sign and around the flag pole.

   7. Java City café changed their name to The Coffee Shop. Their contract expires Jan. 31, 2019. Reviewed specs with Township so they can post RFP (Request for Proposal) – five year contract.
8. Handicapped parking discussion: The Library has the correct number of spots per ADA requirements (8). Unfortunately these fill up quickly then library patrons spend long lengths of time here. We can add two more spots; Facilities Manager Jim can mark the spots and order signs. **Library Board agrees with adding more spots.**

Public Discussion
A. Library patron and Cherry Hill resident Mrs. Yares asked if the Board considered proposal brought up at September Board Meeting requesting Library being open every Sunday. Board President responded: after analysis of current operations and revenues, no changes in Library hours will be made. Union contract dictates staff being paid time and a half on Sundays, plus operational expenses and utilities. Library surplus is down and opening Sundays will cost too much at this time.
1. Appropriations from changes in legislation allotting more funds to libraries would help although those funds would take a while to be dispersed.

Next phone meeting date: Wednesday, December 12, 2018 at 11 a.m. *Bill Pay Only (conference call)

Adjournment
MOTION: Moved by Mrs. Sanderson-Braem seconded by Dr. Gupta.
