      x. CHPL Outreach was part of the Cherry Hill Township Senior Citizen Virtual Vendor Fair.
   b. Youth Services updates:
      i. Youth Services recent virtual programs/statistics on views shared with the Board.
      ii. Bookworm Boxes is a new and very popular 3 month “subscription” for patrons in grades 3 - 12. The boxes are filled with Advance Reader Copy proofs of books that are sent to read before they are published. Since these copies cannot be sold or added to the collection, we wanted to distribute them to patrons in a fun way. The boxes also contain candy and month-themed goodies. 41 kids and teens signed up for the program, the max amount possible.
      iii. A Story Walk was created in Youth Services for the month of October. The story, Owl Babies, was broken down to be read page by page around the Youth Services floor. Each page/station has an activity or reading comprehension question.
iv. A Children’s Librarian and our Teen Services Librarian are taking family leave under the federal Family First Coronavirus Response Act this fall and will return in December. One other full-time children’s librarian will be working a modified schedule to accommodate her children’s schooling. We will still offer some virtual programs this fall including On-Demand Story Times and Story Breaks, Dungeons & Dragons for Kids and for Teens, Animal Crossing Open Hours on Wednesday Nights and Teen Activity Board meetings.

c. Collection Drive: Saturday, October 10 the non-profit ComputerSmiles gently used laptop drive at library’s front driveway collected about 10 gently used laptops to be refurbished and donated to a student, family or senior citizen in need. Keep them in mind if you wish to donate your used laptop.

   i. Adult Services recent virtual programs/statistics on views shared with the Board.
   ii. Staff are currently working on the following daily duties:
      1.    iii. One full-time reference librarian is taking family leave under the federal Family First Coronavirus Response Act through December. In her absence, members of the department are sharing responsibility for ordering Fiction, hosting the monthly CHPL Book Club, and covering programs.
   iv. Plans are underway for CHPL Seed Library 2021 to launch in February, as well as instructional videos to reach the public on a wide array of topics such as Using Ancestry.com From Home, Hoopla, Overdrive, etc.

e. Our first ever Scarecrow Contest is going like gangbusters – 50 have registered to build or deliver their scarecrows this Saturday, October 17. This is a partnership with Township and their Rec Department; all scarecrows will be displayed along the Library driveway. Since the Library will not have the annual Halloween costume parade, this is a great seasonal outdoor activity to engage the community.

f. Virtual Trustee Institute is this Saturday from 9 a.m. – 1 p.m. All Board members can attend; Ms. Purcell will send the zoom link and agenda to the Board.

g. Congrats to Dr. Meloche for being named one of the best superintendents in New Jersey through NJASA! There are three regions, Cherry Hill falls in Region III. Dr. Meloche is one of three finalists in the state. In November the final results will be announced. Dr. Meloche is very honored with this recognition.

Mrs. Cathy Schwartz arrived at 4:23 p.m.

B. Library Services Manager – Mrs. Jennie Purcell

   b. The Library’s final budget is delayed until November, as Township is completing theirs.
   c. Administration office door is now locked with a doorbell and a shelf on each side of a service window for patrons to communicate their needs (notary, etc.) without entering the office. Admin staff is taking shifts at the front doors so it’s good the Admin office is locked.
   d. The kiosk in Reference used by patrons to print from the computers was out of service for a week, not accepting any bills. IT received a new part and installed it on September 23.

We will accept cash, check and credit cards using the Square on an iPad. Our patrons have been asking for a book sale so we will try to have a small one and see how it turns out.
l. We had a major clog in the Reading Room public restrooms so we had to close them. Maintenance Supervisor, Jim Stamer snaked the lines and had to remove a few toilets. All is now fixed and back to normal.
