Edna Ryan is the August featured artist in the Art Gallery, Lower Level. Edna’s show is “96 and Still Going!” For the past 20 years, she has produced works in pen and ink, watercolor, oil, and pastel. Creating a serene palette is always her goal, and she has great respect for our natural world.

Thank you for librarian outreach visit to The Village-
"I want to thank the both of you for coming out to our location and assisting our residents with kindness, professionalism and a truly wonderful spirit. I cannot tell you how many people told me how this was the 1st library card they have ever had or how you two made them want to go to the library. I am so grateful for your experience and expertise in making this run swiftly and smoothly. Thank you again. You always have friends here over at The Village."
